2015 RES-076
ADDRESSING THE NEEDS OF THE HOMELESS

Unmet needs persist for Dane County's homeless residents, including the need for family shelter and transportation. While the shelter system is required to accept the homeless in the winter, the number of families turned away from shelter in the summer is a major issue.

NOW THEREFORE BE IT RESOLVED that the 2015 Capital Budget be increased by $5,000 to allow the Department of Human Services to purchase a van to be used to transport homeless individuals to services.

BE IT FURTHER RESOLVED that the allocation for services in the Department of Human Services operating budget be increased by $3,500 for operation of the second van for homeless individuals.

BE IT FINALLY RESOLVED that $100,000 be transferred from the General Fund to a new purchase of service line item to provide additional funding for services for the homeless.
