Title of Resolution or Ord. Amd.:

AMENDING CHAPTER 10 OF THE DANE COUNTY CODE OF ORDINANCES, REGARDING THE DEFINITION OF A "DAY CARE CENTER"

Policy Analysis Statement:

Brief Description of Proposal -

There is a slight inconsistency between the Dane County Zoning Code and Wisconsin Statutes in the county's definition of "day care center." State law limits local regulation of in-home day care centers with eight (8) or fewer children, and this OA simply brings Dane County's ordinance into compliance with state law.

Current Policy or Practice -

Dane County ordinance currently requires a CUP for day care centers providing care for eight (8) or more children; state law essentially allows by right family child care homes to provide care for up to eight (8) children.

Impact of Adopting Proposal -

2023 OA-010 simply changes the county definition of 'day care center' to be consistent with state law by only requiring a CUP for centers that provide care for nine (9) or more children.
