2022 RES-123

WASTE AND RENEWABLES CONTRACT FOR PURCHASE OF SERVICES AND GOODS ON AN AS-NEEDED BASIS FROM TANN CORPORATION.

The Dane County Department of Waste & Renewables (W&R) operates an active landfill and Renewable Natural Gas (RNG) Plant at its location at 7102 US Hwy 12/18, Madison, Wisconsin 53718. The landfill gas is cleaned, compressed and injected into the high pressure natural gas pipeline.

TANN Corporation (TANN) is based out of Kaukauna, Wisconsin and is the manufacturer and sole authorized service provider to the Regenerative Thermal Oxidizer (RTO) unit at the RNG Plant, a critical system which serves to combust tail gas generated from the process. This scope is for services and supply of goods (parts and equipment) as needed to operate and maintain the RTO.

W&R requested a waiver of bid and received approval from the Dane County Board of Supervisors' Personnel and Finance Committee on January 10, 2022 to utilize TANN for services and procurement of goods. W&R subsequently negotiated a new contract with the company. The scope of the contract includes supply service and goods. This scope is for services and supply of goods (parts and equipment) as needed to operate and maintain the RTO at W&R's request. The term of the contract is 2 years with 3 optional years.

NOW, THEREFORE, BE IT RESOLVED that TANN and W&R wish enter into an Agreement for supply of parts, consumables, and equipment with a total contract amount of $280,00.00; and

BE IT FURTHER RESOLVED that the County Executive and the County Clerk be authorized to sign the Agreement; and

BE IT FINALLY RESOLVED that the Department of Waste & Renewables be directed to ensure complete performance of the Agreement.
