126
127 Section 4. Form of the Notes. The Notes shall be issued in registered form and shall be
128 executed and delivered in substantially the form attached hereto as Exhibit E and incorporated
129 herein by this reference.

130
131 Section 5. Tax Provisions.

132
133 (A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the
134 principal of and interest on the Notes as the same becomes due, the full faith, credit and
135 resources of the County are hereby irrevocably pledged, and there is hereby levied upon all of
136 the taxable property of the County a direct annual irrepealable tax in the years 2022 through
137 2031 for payments due in the years 2023 through 2032 in the amounts set forth on the Schedule.
138

139 (B) Tax Collection. So long as any part of the principal of or interest on the
140 Notes remains unpaid, the County shall be and continue without power to repeal such levy or
141 obstruct the collection of said tax until all such payments have been made or provided for. After
142 the issuance of the Notes, said tax shall be, from year to year, carried onto the tax roll of the
143 County and collected in addition to all other taxes and in the same manner and at the same time
144 as other taxes of the County for said years are collected, except that the amount of tax carried
145 onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt
146 Service Fund Account created below.

147
148 (C) Additional Funds. If at any time there shall be on hand insufficient funds
149 from the aforesaid tax levy to meet principal and/or interest payments on said Notes when due,
150 the requisite amounts shall be paid from other funds of the County then available, which sums
151 shall be replaced upon the collection of the taxes herein levied.

152
153 Section 6. Segregated Debt Service Fund Account.

154
155 (A) Creation and Deposits. There be and there hereby is established in the
156 treasury of the County, if one has not already been created, a debt service fund, separate and
157 distinct from every other fund, which shall be maintained in accordance with generally accepted
158 accounting principles. Debt service or sinking funds established for obligations previously
159 issued by the County may be considered as separate and distinct accounts within the debt service
160 fund.

161
162 Within the debt service fund, there hereby is established a separate and distinct account
163 designated as the "Debt Service Fund Account for General Obligation Promissory Notes,
164 Series 2022A, dated October 5, 2022" (the "Debt Service Fund Account") and such account shall
165 be maintained until the indebtedness evidenced by the Notes is fully paid or otherwise
166 extinguished. There shall be deposited into the Debt Service Fund Account (i) all accrued
167 interest received by the County at the time of delivery of and payment for the Notes; (ii) any
168 premium which may be received by the County above the par value of the Notes and accrued
169 interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated
170 for the specific purpose of meeting principal of and interest on the Notes when due; (iv) such
171 other sums as may be necessary at any time to pay principal of and interest on the Notes when
172 due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further
173 deposits as may be required by Section 67.11, Wisconsin Statutes.

174
175 (B) Use and Investment. No money shall be withdrawn from the Debt Service
176 Fund Account and appropriated for any purpose other than the payment of principal of and
177 interest on the Notes until all such principal and interest has been paid in full and the Notes
178 canceled; provided (i) the funds to provide for each payment of principal of and interest on the
179 Notes prior to the scheduled receipt of taxes from the next succeeding tax collection may be
180 invested in direct obligations of the United States of America maturing in time to make such
181 payments when they are due or in other investments permitted by law; and (ii) any funds over
182 and above the amount of such principal and interest payments on the Notes may be used to
183 reduce the next succeeding tax levy, or may, at the option of the County, be invested by
184 purchasing the Notes as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or

185 in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes
186 ("Permitted Investments"), which investments shall continue to be a part of the Debt Service
187 Fund Account. Any investment of the Debt Service Fund Account shall at all times conform
188 with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any
189 applicable Treasury Regulations (the "Regulations").
190

191 (C) Remaining Monies. When all of the Notes have been paid in full and
192 canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service
193 Fund Account shall be transferred and deposited in the general fund of the County, unless the
194 County Board of Supervisors directs otherwise.
195

196 Section 7. Proceeds of the Notes; Segregated Borrowed Money Fund. The proceeds of
197 the Notes (the "Note Proceeds") (other than any premium and accrued interest which must be
198 paid at the time of the delivery of the Notes into the Debt Service Fund Account created above)
199 shall be deposited into a special fund (the "Borrowed Money Fund") separate and distinct from
200 all other funds of the County and disbursed solely for the purpose or purposes for which
201 borrowed. In no event shall monies in the Borrowed Money Fund be used to fund operating
202 expenses of the general fund of the County or of any special revenue fund of the County that is
203 supported by property taxes. Monies in the Borrowed Money Fund may be temporarily invested
204 in Permitted Investments. Any monies, including any income from Permitted Investments,
205 remaining in the Borrowed Money Fund after the purpose or purposes for which the Notes have
206 been issued have been accomplished, and, at any time, any monies as are not needed and which
207 obviously thereafter cannot be needed for such purpose(s) shall be deposited in the Debt Service
208 Fund Account.
209

210 Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be
211 Permitted Investments, but no such investment shall be made in such a manner as would cause
212 the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code or the
213 Regulations and an officer of the County, charged with the responsibility for issuing the Notes,
214 shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the
215 date of delivery of the Notes to the Purchaser which will permit the conclusion that the Notes are
216 not "arbitrage bonds," within the meaning of the Code or Regulations.
217

218 Section 9. Compliance with Federal Tax Laws. (a) The County represents and
219 covenants that the projects financed by the Notes and the ownership, management and use of the
220 projects will not cause the Notes to be "private activity bonds" within the meaning of Section
221 141 of the Code. The County further covenants that it shall comply with the provisions of the
222 Code to the extent necessary to maintain the tax-exempt status of the interest on the Notes
223 including, if applicable, the rebate requirements of Section 148(f) of the Code. The County
224 further covenants that it will not take any action, omit to take any action or permit the taking or
225 omission of any action within its control (including, without limitation, making or permitting any
226 use of the proceeds of the Notes) if taking, permitting or omitting to take such action would
227 cause any of the Notes to be an arbitrage bond or a private activity bond within the meaning of
228 the Code or would otherwise cause interest on the Notes to be included in the gross income of
229 the recipients thereof for federal income tax purposes. The County Clerk or other officer of the
230 County charged with the responsibility of issuing the Notes shall provide an appropriate

231 certificate of the County certifying that the County can and covenanting that it will comply with
232 the provisions of the Code and Regulations.
233

234 (b) The County also covenants to use its best efforts to meet the requirements and
235 restrictions of any different or additional federal legislation which may be made applicable to the
236 Notes provided that in meeting such requirements the County will do so only to the extent
237 consistent with the proceedings authorizing the Notes and the laws of the State of Wisconsin and
238 to the extent that there is a reasonable period of time in which to comply.
239

240 Section 10. Execution of the Notes; Closing; Professional Services. The Notes shall be
241 issued in printed form, executed on behalf of the County by the manual or facsimile signatures of
242 the Chairperson and County Clerk, authenticated, if required, by the Fiscal Agent (defined
243 below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to
244 the Purchaser upon payment to the County of the purchase price thereof, plus accrued interest to
245 the date of delivery (the "Closing"). The facsimile signature of either of the officers executing
246 the Notes may be imprinted on the Notes in lieu of the manual signature of the officer but, unless
247 the County has contracted with a fiscal agent to authenticate the Notes, at least one of the
248 signatures appearing on each Note shall be a manual signature. In the event that either of the
249 officers whose signatures appear on the Notes shall cease to be such officers before the Closing,
250 such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as
251 if they had remained in office until the Closing. The aforesaid officers are hereby authorized and
252 directed to do all acts and execute and deliver the Notes and all such documents, certificates and
253 acknowledgements as may be necessary and convenient to effectuate the Closing. The County
254 hereby authorizes the officers and agents of the County to enter into, on its behalf, agreements
255 and contracts in conjunction with the Notes, including but not limited to agreements and
256 contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate
257 calculation services. Any such contract heretofore entered into in conjunction with the issuance
258 of the Notes is hereby ratified and approved in all respects.
259

260 Section 11. Payment of the Notes; Fiscal Agent. The principal of and interest on the
261 Notes shall be paid by the County Clerk or the County Treasurer (the "Fiscal Agent").
262

263 Section 12. Persons Treated as Owners; Transfer of Notes. The County shall cause
264 books for the registration and for the transfer of the Notes to be kept by the Fiscal Agent. The
265 person in whose name any Note shall be registered shall be deemed and regarded as the absolute
266 owner thereof for all purposes and payment of either principal or interest on any Note shall be
267 made only to the registered owner thereof. All such payments shall be valid and effectual to
268 satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.
269

270 Any Note may be transferred by the registered owner thereof by surrender of the Note at
271 the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment
272 duly executed by the registered owner or his attorney duly authorized in writing. Upon such
273 transfer, the Chairperson and County Clerk shall execute and deliver in the name of the
274 transferee or transferees a new Note or Notes of a like aggregate principal amount, series and
275 maturity and the Fiscal Agent shall record the name of each transferee in the registration book.

276 No registration shall be made to bearer. The Fiscal Agent shall cancel any Note surrendered for
277 transfer.

278
279 The County shall cooperate in any such transfer, and the Chairperson and County Clerk
280 are authorized to execute any new Note or Notes necessary to effect any such transfer.

281
282 Section 13. Record Date. The 15th day of the calendar month next preceding each
283 interest payment date shall be the record date for the Notes (the "Record Date"). Payment of
284 interest on the Notes on any interest payment date shall be made to the registered owners of the
285 Notes as they appear on the registration book of the County at the close of business on the
286 Record Date.

287
288 Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In
289 order to make the Notes eligible for the services provided by The Depository Trust Company,
290 New York, New York ("DTC"), the County agrees to the applicable provisions set forth in the
291 Blanket Issuer Letter of Representations, which the County Clerk or other authorized
292 representative of the County is authorized and directed to execute and deliver to DTC on behalf
293 of the County to the extent an effective Blanket Issuer Letter of Representations is not presently
294 on file in the County Clerk's office.

295
296 Section 15. Official Statement. The County Board of Supervisors hereby approves the
297 Preliminary Official Statement with respect to the Notes and deems the Preliminary Official
298 Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the
299 Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the
300 "Rule"). All actions taken by officers of the County in connection with the preparation of such
301 Preliminary Official Statement or final Official Statement are hereby ratified and approved. In
302 connection with the Closing, the appropriate County official shall certify the Preliminary Official
303 Statement or final Official Statement. The County Clerk shall cause copies of the Preliminary
304 Official Statement or final Official Statement to be distributed to the Purchaser.

305
306 Section 16. Undertaking to Provide Continuing Disclosure. The County hereby
307 covenants and agrees, for the benefit of the owners of the Notes, to enter into a written
308 undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of
309 certain financial information and operating data and timely notices of the occurrence of certain
310 events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the
311 Notes or by the Purchaser on behalf of such owners (provided that the rights of the owners and
312 the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific
313 performance of the obligations thereunder and any failure by the County to comply with the
314 provisions of the Undertaking shall not be an event of default with respect to the Notes).

315
316 To the extent required under the Rule, the Chairperson and County Clerk, or other officer
317 of the County charged with the responsibility for issuing the Notes, shall provide a Continuing
318 Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and
319 terms of the County's Undertaking.

320

321 Section 17. Record Book. The County Clerk shall provide and keep the transcript of
322 proceedings as a separate record book (the "Record Book") and shall record a full and correct
323 statement of every step or proceeding had or taken in the course of authorizing and issuing the
324 Notes in the Record Book.

325
326 Section 18. Bond Insurance. If the Purchaser determines to obtain municipal bond
327 insurance with respect to the Notes, the officers of the County are authorized to take all actions
328 necessary to obtain such municipal bond insurance. The Chairperson and County Clerk are
329 authorized to agree to such additional provisions as the bond insurer may reasonably request and
330 which are acceptable to the Chairperson and County Clerk including provisions regarding
331 restrictions on investment of Note proceeds, the payment procedure under the municipal bond
332 insurance policy, the rights of the bond insurer in the event of default and payment of the Notes
333 by the bond insurer and notices to be given to the bond insurer. In addition, any reference
334 required by the bond insurer to the municipal bond insurance policy shall be made in the form of
335 Note provided herein.

336
337 Section 19. Conflicting Resolutions; Severability; Effective Date. All prior resolutions,
338 rules or other actions of the County Board of Supervisors or any parts thereof in conflict with the
339 provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so
340 conflict. In the event that any one or more provisions hereof shall for any reason be held to be
341 illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The
342 foregoing shall take effect immediately upon adoption and approval in the manner provided by
343 law.

PAYING AGENT

The County may select a County official, a bank or trust company, to act as paying agent (the "Paying Agent"). If a Paying Agent is selected, the County will pay the charges for Paying Agent services. The County reserves the right to remove the Paying Agent and to appoint a successor.

OPTIONAL REDEMPTION

At the option of the County, the Notes maturing on or after June 1, 2030 shall be subject to optional redemption prior to maturity on June 1, 2029 or any date thereafter, at a price of par plus accrued interest to the date of optional redemption.

Redemption may be in whole or in part of the Notes subject to prepayment. If redemption is in part, the selection of the amounts and maturities of the Notes to be redeemed shall be at the discretion of the County. If only part of the Notes having a common maturity date are called for redemption, then the County or Paying Agent, if any, will notify DTC of the particular amount of such maturity to be redeemed. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interest in such maturity to be redeemed.

Notice of such call shall be given by sending a notice by registered or certified mail, facsimile or electronic transmission, overnight delivery service or in any other manner required by DTC, not less than 30 days nor more than 60 days prior to the date fixed for redemption to the registered owner of each Note to be redeemed at the address shown on the registration books.

DELIVERY

On or about October 5, 2022, the Notes will be delivered without cost to the winning bidder at DTC. On the day of closing, the County will furnish to the winning bidder the opinion of bond counsel hereinafter described, an arbitrage certification, and certificates verifying that no litigation in any manner questioning the validity of the Notes is then pending or, to the best knowledge of officers of the County, threatened. Payment for the Notes must be received by the County at its designated depository on the date of closing in immediately available funds.

LEGAL OPINION

An opinion as to the validity of the Notes and the exemption from federal taxation of the interest thereon will be furnished by Quarles & Brady LLP, Bond Counsel to the County, and will be available at the time of delivery of the Notes. The legal opinion will be issued on the basis of existing law and will state that the Notes are valid and binding general obligations of the County; provided that the rights of the owners of the Notes and the enforceability of the Notes may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights and by equitable principles (which may be applied in either a legal or equitable proceeding).

STATEMENT REGARDING BOND COUNSEL PARTICIPATION

Bond Counsel has not assumed responsibility for this Official Statement or participated in its preparation (except with respect to the section entitled "TAX EXEMPTION" in the Official Statement and the "FORM OF LEGAL OPINION" found in Appendix B of the Official Statement).

SUBMISSION OF BIDS

Bids must not be for less than \$75,670,650, nor more than \$81,785,450, plus accrued interest on the principal sum of \$76,435,000 from date of original issue of the Notes to date of delivery. Prior to the time established above for the opening of bids, interested parties may submit a bid as follows:

- 1) Electronically to bondsale@ehlers-inc.com; or
- 2) Electronically via **PARITY** in accordance with this Notice of Sale until Central Time, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in **PARITY** conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about **PARITY**, potential bidders may contact Ehlers or i-Deal LLC at 1359 Broadway, 2nd Floor, New York, New York 10018, Telephone (212) 849-5021.

Bids must be submitted to Ehlers via one of the methods described above and must be received prior to the time established above for the opening of bids. Each bid must be unconditional except as to legality. Neither the County nor Ehlers shall be responsible for any failure to receive a facsimile submission.

A good faith deposit ("Deposit") in the amount of \$1,528,700 shall be made by the winning bidder by wire transfer of funds to the County. Such Deposit shall be received by the County no later than two hours after the Bid opening time. The County reserves the right to award the Notes to a winning bidder whose wire transfer is initiated but not received by such time provided that such winning bidder's federal wire reference number has been received by such time. In the event the Deposit is not received as provided above, the County may award the Notes to the bidder submitting the next best Bid provided such bidder agrees to such award. The Deposit will be retained by the County as liquidated damages if the Bid is accepted and the Purchaser fails to comply therewith. The Deposit will be deducted from the purchase price at the closing for the Notes.

PLEASE NOTE THE WIRE TRANSFER IS TO BE RECEIVED BY THE COUNTY AND NOT BY THE COUNTY'S MUNICIPAL ADVISOR, EHLERS & ASSOCIATES, INC.

No bid can be withdrawn after the time set for receiving bids unless the meeting of the County scheduled for award of the Notes is adjourned, recessed, or continued to another date without award of the Notes having been made.

AWARD

The Notes will be awarded to the bidder offering the lowest interest rate to be determined on a True Interest Cost (TIC) basis. The County's computation of the interest rate of each bid, in accordance with customary practice, will be controlling. In the event of a tie, the sale of the Notes will be awarded by lot. The County reserves the right to reject any and all bids and to waive any informality in any bid.

BOND INSURANCE

If the Notes are qualified for any bond insurance policy, the purchase of such policy shall be at the sole option and expense of the winning bidder. Any cost for such insurance policy is to be paid by the winning bidder, except that, if the County requested and received a rating on the Notes from a rating agency, the County will pay that rating fee. Any rating agency fees not requested by the County are the responsibility of the winning bidder.

Failure of the municipal bond insurer to issue the policy after the Notes are awarded to the winning bidder shall not constitute cause for failure or refusal by the winning bidder to accept delivery of the Notes.

CUSIP NUMBERS

The County will assume no obligation for the assignment or printing of CUSIP numbers on the Notes or for the correctness of any numbers printed thereon, but will permit such numbers to be printed at the expense of the winning bidder, if the winning bidder waives any delay in delivery occasioned thereby.

NOT QUALIFIED TAX-EXEMPT OBLIGATIONS

The County will NOT designate the Notes as "qualified tax-exempt obligations" pursuant to Section 265 of the Internal Revenue Code of 1986, as amended, which permits financial institutions to deduct interest expenses allocable to the Notes to the extent permitted under prior law.

CONTINUING DISCLOSURE

In order to assist the Underwriters in complying with the provisions of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934 the County will enter into an undertaking for the benefit of the holders of the Notes. A description of the details and terms of the undertaking is set forth in Appendix D of the Official Statement.

NEW ISSUE PRICING

The winning bidder will be required to provide, in a timely manner, certain information necessary to compute the yield on the Notes pursuant to the provisions of the Internal Revenue Code of 1986, as amended, and to provide a certificate which will be provided by Bond Counsel upon request.

(a) The winning bidder shall assist the County in establishing the issue price of the Notes and shall execute and deliver to the County at closing an "issue price" or similar certificate satisfactory to Bond Counsel setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Notes, together with the supporting pricing wires or equivalent communications. All actions to be taken by the County under this Notice of Sale to establish the issue price of the Notes may be taken on behalf of the County by the County's municipal advisor identified herein and any notice or report to be provided to the County may be provided to the County's municipal advisor.

(b) The County intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Notes) will apply to the initial sale of the Notes (the "competitive sale requirements") because:

- (1) The County shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential investors;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the County may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the County anticipates awarding the sale of the Notes to the bidder who submits a firm offer to purchase the Notes at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Notes, as specified in this bid.

(c) If all of the requirements of a "competitive sale" are not satisfied, the County shall advise the winning bidder of such fact prior to the time of award of the sale of the Notes to the winning bidder. In such event, any bid submitted will not be subject to cancellation or withdrawal and the County agrees to use the rule selected by the winning bidder on its bid form to determine the issue price for the Notes. On its bid form, each bidder must select one of the following two rules for determining the issue price of the Notes: (1) the first price at which 10% of a maturity of the Notes (the "10% test") is sold to the public as the issue price of that maturity or (2) the initial offering price to the public as of the sale date as the issue price of each maturity of the Notes (the "hold-the-offering-price rule").

(d) If all of the requirements of a "competitive sale" are not satisfied and the winning bidder selects the hold-the-offering-price rule, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Notes to the public on or before the date of award at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Notes, that the underwriters will neither offer nor sell unsold Notes of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the underwriters have sold at least 10% of that maturity of the Notes to the public at a price that is no higher than the initial offering price to the public.

The winning bidder will advise the County promptly after the close of the fifth (5th) business day after the sale whether it has sold 10% of that maturity of the Notes to the public at a price that is no higher than the initial offering price to the public.

The County acknowledges that in making the representation set forth above, the winning bidder will rely on:

(i) the agreement of each underwriter to comply with requirements for establishing issue price of the Notes, including, but not limited to, its agreement to comply with the hold-the-price rule, if applicable to the Notes, as set forth in an agreement among underwriters and the related pricing wires,

(ii) in the event a selling group has been created in connection with the initial sale of the Notes to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Notes, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Notes, as set forth in a selling group agreement and the related pricing wires, and

(iii) in the event that an underwriter or dealer who is a member of the selling group is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Notes to the public, the agreement of each broker-dealer that is party to such agreement to comply with the requirements for establishing issue price of the Notes, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Notes, as set forth in the third-party distribution agreement and the related pricing wires. The County further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing issue price rule of the Notes, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Notes, and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Notes, including, but not limited to, its agreement to comply with the hold-the-offering-price rule as applicable to the Notes.

(e) If all of the requirements of a "competitive sale" are not satisfied and the winning bidder selects the 10% test, the winning bidder agrees to promptly report to the County, Bond Counsel and Ehlers the prices at which the Notes have been sold to the public. That reporting obligation shall continue, whether or not the closing date has occurred, until either (i) all Notes of that maturity have been sold or (ii) the 10% test has been satisfied as to each maturity of the Notes, provided that, the winning bidder's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the County or bond counsel.

(f) By submitting a bid, each bidder confirms that:

(i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is party to such third-party distribution agreement, as applicable, to:

(A) report the prices at which it sells to the public the unsold Notes of each maturity allocated to it, whether or not the Closing Date has occurred until either all securities of that maturity allocated to it have been sold or it is notified by the winning bidder that either the 10% test has been satisfied as to the Notes of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the County or bond counsel.

(B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and

(ii) any agreement among underwriters or selling group agreement relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group and each broker dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Notes to the public to require each broker-dealer that is a party to such third-party distribution agreement to:

(A) to promptly notify the winning bidder of any sales of Notes that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Notes to the public (each such term being used as defined below), and

(B) to acknowledge that, unless otherwise advised by the underwriter, dealer or broker-dealer, the winning bidder shall assume that each order submitted by the underwriter, dealer or broker-dealer is a sale to the public.

(g) Sales of any Notes to any person that is a related party to an underwriter participating in the initial sale of the Notes to the public (each term being used as defined below) shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Notes to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Notes to the public),

(iii) a purchaser of any of the Notes is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date that the Notes are awarded by the County to the winning bidder.

FOR VALUE RECEIVED, Dane County, Wisconsin (the "County"), hereby acknowledges itself to owe and promises to pay to the Depository or its Nominee Name (the "Depository") identified above (or to registered assigns), on the maturity date identified above, the principal amount identified above, and to pay interest thereon at the rate of interest per annum identified above, all subject to the provisions set forth herein regarding redemption prior to maturity. Interest shall be payable semi-annually on June 1 and December 1 of each year commencing on June 1, 2023 until the aforesaid principal amount is paid in full. Both the principal of and interest on this Note are payable to the registered owner in lawful money of the United States. Interest payable on any interest payment date shall be paid by wire transfer to the Depository in whose name this Note is registered on the Bond Register maintained by the County Clerk or County Treasurer (the "Fiscal Agent") or any successor thereto at the close of business on the 15th day of the calendar month next preceding each interest payment date (the "Record Date"). This Note is payable as to principal upon presentation and surrender hereof at the office of the Fiscal Agent.

For the prompt payment of this Note together with interest hereon as aforesaid and for the levy of taxes sufficient for that purpose, the full faith, credit and resources of the County are hereby irrevocably pledged.

This Note is one of an issue of Notes aggregating the principal amount of \$75,670,000, all of which are of like tenor, except as to denomination, maturity date and redemption provision, issued by the County pursuant to the provisions of Section 67.12(12), Wisconsin Statutes, for public purposes, including paying the cost of various items included in the County's Capital Budget, as authorized by resolutions adopted on January 18, 2018, January 17, 2019, January 23, 2020, January 7, 2021, April 8, 2021, January 6, 2022, February 3, 2022 and September 8, 2022.

Said resolutions are recorded in the official minutes of the County Board of Supervisors for said dates.

The Notes maturing on June 1, 2030 and thereafter are subject to redemption prior to maturity, at the option of the County, on June 1, 2029 or on any date thereafter. Said Notes are redeemable as a whole or in part, and if in part, from maturities selected by the County, and within each maturity by lot (as selected by the Depository), at the principal amount thereof, plus accrued interest to the date of redemption.

In the event the Notes are redeemed prior to maturity, as long as the Notes are in book-entry-only form, official notice of the redemption will be given by mailing a notice by registered or certified mail, overnight express delivery, facsimile transmission, electronic transmission or in any other manner required by the Depository, to the Depository not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. If less than all of the Notes of a maturity are to be called for redemption, the Notes of such maturity to be redeemed will be selected by lot. Such notice will include but not be limited to the following: the designation, date and maturities of the Notes called for redemption, CUSIP numbers, and the date of redemption. Any notice provided as described herein shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. The Notes shall cease to bear interest on the specified redemption date provided that federal or other immediately available funds sufficient for such redemption are on deposit at the office of the Depository at that time. Upon such deposit of funds for redemption the Notes shall no longer be deemed to be outstanding.

It is hereby certified and recited that all conditions, things and acts required by law to exist or to be done prior to and in connection with the issuance of this Note have been done, have existed and have been performed in due form and time; that the aggregate indebtedness of the County, including this Note and others issued simultaneously herewith, does not exceed any limitation imposed by law or the Constitution of the State of Wisconsin; and that a direct annual irrepealable tax has been levied sufficient to pay this Note, together with the interest thereon, when and as payable.

This Note is transferable only upon the books of the County kept for that purpose at the office of the Fiscal Agent, only in the event that the Depository does not continue to act as depository for the Notes, and the County appoints another depository, upon surrender of the Notes to the Fiscal Agent, by the registered owner in person or his duly authorized attorney, together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the Fiscal Agent duly executed by the registered owner or his duly authorized attorney. Thereupon a new fully registered Note in the same aggregate principal amount shall be issued to the new depository in exchange therefor and upon the payment of a charge sufficient to reimburse the County for any tax, fee or other governmental charge required to be paid with respect to such registration. The Fiscal Agent shall not be obliged to make any transfer of the Notes (i) after the Record Date, (ii) during the fifteen (15) calendar days preceding the date of any publication of notice of any proposed redemption of the Notes, or (iii) with respect to any particular Note, after such Note has been called for redemption. The Fiscal Agent and County may treat and consider

the Depository in whose name this Note is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes whatsoever. The Notes are issuable solely as negotiable, fully-registered Notes without coupons in the denomination of \$5,000 or any integral multiple thereof.

No delay or omission on the part of the owner hereof to exercise any right hereunder shall impair such right or be considered as a waiver thereof or as a waiver of or acquiescence in any default hereunder.

IN WITNESS WHEREOF, Dane County, Wisconsin, by its governing body, has caused this Note to be executed for it and in its name by the manual or facsimile signatures of its duly qualified Chairperson and County Clerk; and to be sealed with its official or corporate seal, if any, all as of the original date of issue specified above.
