

AUTHORIZING AN ELECTRIC TRANSMISSION LINE EASEMENT
TO AMERICAN TRANSMISSION COMPANY LLC

American Transmission Company (ATC) is requesting an easement through county land at Wilke Prairie Preserve for an existing 69kV transmission line. This line was previously owned by the Village of Waunakee and was acquired by ATC in 2020. The easement that was previously conveyed to the Village does not include the entire transmission line corridor, therefore ATC is requesting a new easement that describes the correct area to allow ATC to operate and maintain the transmission line. This new easement does not increase the kilovolts of the current line nor is there any construction planned at this time.

The easement will encumber approximately 3.17 acres and will run along the west side of the property along STH 113 and also on the north side, along Easy Street. The corridor will be approximately 30 feet wide.

Compensation for the easement is \$5,400.

NOW, THEREFORE, BE IT RESOLVED that the Dane County Board of Supervisors and the Dane County Executive hereby authorize the above described Electric Transmission Line Easement to ATC in exchange for \$5,400;

BE IT FURTHER RESOLVED that revenue account LWRPKOP 84919 be increased by \$5,400, expense account LWRPKOP 10082 be increased by \$5,016 and expense account LWRPKOP 10108 be increased by \$384.

BE IT FINALLY RESOLVED that the Dane County Clerk is authorized to grant and effectuate the easement.
