2021 RES-295

**ACCEPTING ADDITIONAL AMERICAN RESCUE PLAN FUNDS FROM
THE STATE OF WISCONSIN DEPARTMENT OF HEALTH SERVICES
DCDHS – ACS DIVISION**

The Wisconsin Department of Health Services has made a modification to its Older Americans Act funding to Dane County. This modification comes in response to the American Rescue Plan, which included funds to support services that will help older adults remain in the community. These additional funds became effective October 1, 2021 and are available through September 30, 2022.

These funds are intended to help defray the costs of supports and services designed to help older adults live independently in the community for as long as possible. The Dane County Department of Human Services (DCDHS) will use a portion of these funds for meals served in a congregate setting as well as home-delivered meals, the number of which has increased in the pandemic. Another portion of these funds will be used to provide additional support to family caregivers of people who have been diagnosed with Alzheimer’s disease or other dementia or to family caregivers who are older adults caring for people with great need. The funds from this modification will help defray the expenses associated with the increased demand for services during the pandemic.

NOW, THEREFORE, BE IT RESOLVED that the following new revenue accounts be added to the 2022 Area Agency on Aging section in the Department of Human Services; and

BE IT FURTHER RESOLVED that the following revenue account be credited to the General Fund and transferred from the general fund to the following 2022 expenditure accounts in the Department of Human Services:
