5 **DCDHS - CHILDREN, YOUTH, AND FAMILIES DIVISION**

6 The Dane County Department of Human Services (DCDHS) accepts the WI Child Abuse and  
7 Neglect Prevention Board Grant Award of \$20,000 to support the Family And Community  
8 Engagement (FACE) Unit in support the basic needs of families and promoting social connections.  
9

10 These monies will serve families who are at risk of formal involvement in the Child Protective  
11 Services system. The intent is to reduce the number of children who experience maltreatment and  
12 risk being placed in out of home care. These funds are part of a statewide grant offering from the  
13 Prevention Board with funds originating from the WI Department of Children and Families. The  
14 Prevention Board will provide a one-time grant of \$20,000 to be expended by June 30, 2022 with  
15 an opportunity for a no-cost extension as needed. Dane County is required to provide a \$4,000 in-  
16 kind match which will be realized through existing wraparound FACE funds. The FACE Unit  
17 reduces trauma to children by keeping children stabilized with their families, providing support and  
18 resources to build on family strengths, and preventing future maltreatment.
