DANE COUNTY CONDITIONAL USE PERMIT #2556

THE ZONING AND LAND REGULATION COMMITTEE OF THE DANE COUNTY BOARD PURSUANT TO SECTION 10.101(7) OF THE DANE COUNTY CODE OF ORDINANCES DOES HEREBY:

GRANTS Conditional Use Permit #2556 for Transient and Tourist Lodging conditioned upon Dane County Code of Ordinances Section 10.101(7)(d) and subject to the additional conditions listed below:

EFFECTIVE DATE OF PERMIT: March 23, 2022

THE CONDITIONAL USE SHALL BE LOCATED ON THE PROPERTY DESCRIBED AS FOLLOWS:

LOCATION: 4678 County Highway FF, Town of Vermont

Legal Description: Lot 2 of Certified Survey Map #12134, Section 6, T7N, R6E, Town of Vermont, Dane County, Wisconsin

CONDITIONS:

1. The conditional use permit shall expire upon the sale of the property.
2. Except as provided below, no more than three bedrooms on the premises shall be rented out, to no more than six overnight guests.
3. If the landowner provides to the zoning administrator a sanitary system inspection report, completed by a licensed plumber, which shows the sanitary system is capable of adequately handling the additional demand, occupancy limits may be increased. Under such circumstances, occupancy shall be determined by the capacity of the sanitary system. Under no circumstances shall more than four bedrooms be rented out, to no more than eight overnight guests.
4. The physical development and operation of the conditional use must conform, in all respects, to the approved site plan, operational plan and phasing plan.
5. New and existing buildings proposed to house a conditional use must be constructed and maintained to meet the current requirements of the applicable sections of the Wisconsin Uniform Dwelling Code.
6. The applicant shall apply for, receive and maintain all other legally required and applicable local, county, state and federal permits. Copies of approved permits or other evidence of compliance will be provided to the zoning administrator upon request.
7. The tourist and transient lodging operation must obtain and continue to maintain a short-term rental license approved by the Dane County Division of Environmental Health. The

use must also comply with all other legally required and applicable local, county, state and federal licensing requirements. Copies of approved licenses or other evidence of compliance will be provided to the zoning administrator upon request.

8. All vehicles and equipment must access the site only at approved locations identified in the site plan and operations plan.
9. If the Dane County Highway, Transportation and Public Works Department or the town engineer determine that road intersection improvements are necessary to safely accommodate the conditional use, the cost of such improvements shall be borne by the landowner. Costs borne by the landowner shall be proportional to the incremental increase in traffic associated with the proposed conditional use.
10. The Zoning Administrator or designee may enter the premises of the operation in order to inspect those premises and to ascertain compliance with these conditions or to investigate an alleged violation. Zoning staff conducting inspections or investigations will comply with any applicable workplace safety rules or standards for the site.
11. The owner must post, in a prominent public place and in a form approved by the zoning administrator, a placard with the approved Conditional Use Permit number, the nature of the operation, name and contact information for the operator, and contact information for the Dane County Zoning Division.
12. The owner or operator must keep a copy of the conditional use permit, including the list of all conditions, on the site, available for inspection to the public during business hours.
13. Failure to comply with any imposed conditions, or to pay reasonable county costs of investigation or enforcement of sustained violations, may be grounds for revocation of the conditional use permit. The holder of a conditional use permit shall be given a reasonable opportunity to correct any violations prior to revocation. If any use allowed by an approved conditional use permit is abandoned for one year or more, the associated conditional use permit shall be terminated. Future re-establishment of an abandoned conditional use shall require approval of a new conditional use permit.

THE ZONING AND LAND REGULATION COMMITTEE AFTER PUBLIC HEARING AND IN THEIR CONSIDERATION OF THE CONDITIONAL USE PERMIT MADE THE FOLLOWING FINDINGS OF FACT:

1. That the establishment, maintenance and operation of the proposed conditional use will not be detrimental to or endanger the public health, safety, morals comfort or general welfare.
2. That the uses, values, and enjoyment of other property in the neighborhood for purposes already permitted will not be substantially impaired or diminished by the establishment, maintenance, and operation of the proposed conditional use.
3. That the establishment of the proposed conditional use will not impede the normal and orderly development and improvement of the surrounding property for uses permitted in the district.
4. That adequate utilities, access roads, drainage and other necessary site improvements will be made.
5. That adequate measures will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets.
6. That the proposed conditional use does conform to all applicable regulations of the district in which it is proposed to be located.
7. The proposed conditional use is consistent with adopted Town and County Comprehensive Plans.
8. If located in the Farmland Preservation (FP) area, the conditional use meets the necessary findings to be located in the district as per Dane County Code of Ordinances Section 10.220

EXPIRATION OF PERMIT

Upon the allowed land use's cessation or abandonment for a period of one year, this conditional use permit will be deemed to have been terminated and any future use shall be in conformity with the ordinance.
