RE: DCPREZ-2022-11830 – Reschedule for June 28 ZLR Public Hearing

Mr. Standing and Mr. Lane,

I am writing on behalf of “5211 Southern Avenue, LLC” for Petition DCPREZ-2022-11830.

Our rezoning petition request was not submitted to the Town of Vermont in time to be on the April agenda of the Town of Vermont Planning Commission.

Based on the Town of Vermont’s current meeting schedules, here are dates when we expect the Town to review Petition 11830.

- Planning Commission on May 23
- Town Board on June 14

Accordingly, we request that you postpone any discussion on petition 11830 at the May 24 meeting of the Dane County Zoning & Land Regulation (ZLR) committee. Hopefully, the Town will confirm support for the petition by June 14. Please reschedule the review of our petition for ZLR public hearing to be held on June 28.

Thank you,
