

ACCEPTANCE OF NORTH AMERICAN WETLANDS CONSERVATION ACT
GRANT SUB-AWARD FROM DUCKS UNLIMITED INC – GREAT LAKES MALLARDS

The Land & Water Resources Department has secured an \$83,000 grant from Ducks Unlimited Inc. as a sub-award of a North American Wetlands Conservation Act Grant – Great Lakes Mallards. The purpose of the grant is to conserve wetland and associated upland for the benefit of migrating waterfowl, shorebirds and other wildlife.

The restoration projects include creating waterfowl scrapes and seeding with native prairie and wetland species. This grant will fund restoration on two Dane County Park properties: The Falk Wells Sugar River Wildlife Area in the Town of Montrose and the Black Earth Creek Headwaters Natural Resource Area in the Town of Middleton.

THEREFORE, BE IT RESOLVED, that the County Board of Supervisors and the Dane County Executive hereby accept the \$83,000 in grant funds from Ducks Unlimited Inc.

BE IT FURTHER RESOLVED, that the Land & Waters Resources Director and Parks Director are authorized to sign sub-award agreements and to submit reimbursement claims along with necessary supporting documentation within six months of project completion, and take necessary action to undertake, direct, and complete approved projects.

BE IT FURTHER RESOLVED that the County Executive is authorized to sign notice of grant requirements that will be recorded on properties used for match to secure the grant or restored in whole or part with grant funding;

BE IT FINALLY RESOLVED, that new revenue and expense accounts CPLWRESC “GLM NAWCA” be established for \$83,000. All Funds shall be carried forward until realized and expended.
