RE: Claimant: Griffith Randel
 Our Claim No.: GLDA00001802
 Our Insured: Dane County
 Date of Loss: 10/30/2021

Dear Dan Lowndes,

We have received the above referenced claim on 4/12/2022. Following a review of the information regarding the claimant alleging while biking hit a cut out in pavement causing damage to his bicycle, it has been determined that Dane County has no liability for this claim as this would have been open and obvious as he had traveled North to South and would have traveled over the north side asphalt to the milling portion before falling while going over the elevation change on the south side. Please issue formal disallowance and provide a copy of this disallowance to WMMIC.

This claim will be closed on the date of receipt of the disallowance.

A copy of this letter has been placed in the claim file for reference. If you should have any further questions, please contact me.

Sincerely,

Brandon Johnson
