## B. Consideration of Minutes

MEDICAL ADVISORY SUBCOMMITTEE APRIL 2022 MINUTES

Attachments: [April Minutes](#)

The minutes were approved.

## C. Discussion Items

Leave-Behind Narcan

*The Leave-Behind Narcan program is a partnership through Public Health and the state that allows EMS to leave behind narcan kits in cases where opioid use is suspected at no cost to agencies. It is currently active in Fitch-Rona, but the hope is to expand it to agencies across the county.*

## Protocol Update

*Protocol books are available to purchase on the Dane County website for anyone who wants their own personal copy.*

## Subcommittee Membership

*Actual members of the subcommittee will be the only ones to receive panelist invites going forward; all other attendees will have to register through the agenda. If they would like to speak, they can raise their hand or request to be unmuted during the meeting. There are several roles on the committee that are empty and it was asked for members to refer anyone who may be able to fill those roles. Dr. Kim proposes a pediatric and family medical representative for committee. That proposal can be brought to the EMS Commission. The medical advisors will review the MAS mission statement.*

## DCEMS Office Update

*EMS Week is coming up and all members are encouraged to attend the EMS Week celebration event at Wisconsin Brewing on May 21st from 3-6pm. The Survivor Celebration is also coming up on June 11th at the Mallards Park. The program will take place at 2pm with ballpark lunch available at 3pm and game to start at 4:05pm. Members are also encouraged to attend. The DCEM office welcomes Zander Johnston to the team and he shares his extensive history working in public safety and emergency management. Anderson reports that he is still going through the 2021 CARES data but that it will be disseminated soon.*
