

2022 RES-140

AMENDING THE 2022 BUDGET TO ACCEPT AMERICAN FARMLAND TRUST  
SOIL HEALTH STEWARDS FUNDS

The Land & Water Resources Department (LWRD) secured a \$10,000 grant from the American Farmland Trust (AFT).

The purpose of the grant is to provide training for two staff in the Land Conservation Division of LWRD on developing a Soil Health Steward Action Plan, develop a Dane County Soil Health Steward Action Plan, and initial kick-off implementation of the action plan.

THEREFORE, BE IT RESOLVED, that revenue account LWRCONSV "AFT Grant" and expense account LWRCONSV "AFT Grant" be established for \$10,000. All funds shall be carried forward until realized and expended.
