

1 **2022 RES-223**

2 **AUTHORIZING ACCEPTANCE OF EMS FLEX GRANT FUNDS**

3 The EMS Division of the Department of Emergency Management has been awarded  
4 \$14,245.00 from Wisconsin Department of Health Services (DHS) as part of the EMS Flex  
5 Grant program. The EMS Flex Grant assists to stabilize EMS providers and to ensure each can  
6 continue to respond to emergencies. Due to the impacts from the COVID-19 pandemic, there  
7 was greater demand for EMS services, increased costs associated with providing services, and  
8 limitation on public funding. These funds will be used to support the EMS data collection  
9 process through the purchase of laptops, support multi-disciplinary training of active through  
10 purchase of counterstrike map boards to allow tabletop exercises, and enhance high  
11 performance CPR skills through the purchase of manikins.

12 **NOW, THEREFORE, BE IT RESOLVED** that account EMEMS NEW “EMS Flex Grant” be  
13 established with a budget of \$14,245.00 and account EMEMS NEW “Flex Grant Expense” be  
14 established with a budget amount of \$14,245.00.
