<b>Program:</b>	Administration

**Motion:**  
**(revenue/expenditure/text effect)**

Expenditures and borrowing proceeds be increased by \$100,000 in the 2023 capital budget for the Alliant Energy Center - Administration Division for a purchase of services allocation for continued redevelopment planning, focused on master plan revision and implementation, for the Alliant Energy Center campus.

<b>Line Item Detail:</b>			
<b>Org</b>	<b>Object</b>	<b>DESCRIPTION:</b>	<b>Amount</b>
CPAEC	57013	AEC STRATEGIC DESIGN/ACTION PLAN	\$100,000
CPAEC	84974	BORROWING PROCEEDS	\$100,000

**Intent/Justification**

Over the past several years, Dane County has made incremental investments in the Alliant Energy Center campus in an effort to remain competitive with other conference and events venues, and in order to remain self supporting. Prior to the COVID-19 pandemic, a master plan was completed, and the Alliant Energy Center Redevelopment Committee was working towards the next steps of redevelopment of the Alliant Energy Center.

This amendment provides funding for a consultant to support the next steps in the redevelopment process given the post-pandemic changes to the event industry and with a focus on what is possible with public investment. Work will include Redevelopment Committee and Project Management Team Assistance, Reprioritize Capital Improvements, Identify Potential Funding Sources, Evaluate Potential for Private Development Approach, Annexation and Tax Increment District Creation, and Project Communications and Public Outreach

<b>Line Item Detail:</b>

HWFLTFAC	NEW	MECHANICS AND SHOP EQUIPMENT	\$300,000

**Intent/Justification**

The proposed budget includes a capital allocation of \$300,000 in the Department of Highway and Transportation for security cameras to enhance safety.

This amendment maintains the funding and borrowing amount, but changes the purpose of the allocation to support the shop and equipment for maintenance shop mechanics. Currently, the mechanics purchase their own tools and, per the employee handbook, may receive a \$34 per month stipend.
