

Dane County

Minutes - Draft

Criminal Justice Council - Behavioral Health Subcommittee

Consider:

Who benefits? Who is burdened?

Who does not have a voice at the table?

How can policymakers mitigate unintended consequences?

D. Presentations

1. Update on SMI Baseline Data

Presented by Tamarine Cornelius, CJC Research Analyst

The CJC full council authorized additional research on the prevalence on severe mental illness in the Dane County Jail. Findings indicate that the majority of people who are in the Dane County Jail do not have severe mental illness. However, although there was a substantial drop in the number of overall bookings during the pandemic, the number of bookings of people with SMI increased.

Discussion regarding expansion of the SMI definition. Discussion of future analyses with this dataset.
