Hello,

I would like to express my concern with the K&D Stone CUP application #2582.

The application refers to current blasting not projected blasting on the additional land. Where are these projections?

Where is the projected traffic impact? This is of significant concern to the neighboring community. This traffic is unsafe and causes damage to our roads.

The application asks for 50 years duration. I ask that any change in any ownership requires a new CUP.

I feel there is too much crucial information missing for this application to proceed.

Sincerely,  
Jayne Seibel
