4 **2022 RES-323**

5  
6 **RECLASSIFY A SYSTEM ADMINISTRATOR 1 TO A PROJECT ENGINEER MANAGER**

7 The Department of Administration has a vacant System Administrator 1 position. The  
8 Department is requesting to reorganize this position to Project Engineer Manager to better help  
9 implement Public Works Projects around the County.

10 Reclassification of a vacant position require County Board approval. Further, this position has  
11 been vacant for more than six-months and County Ordinance 29.52(15) requires the Personnel  
12 and Finance Committee to approve filling positions that are vacant for longer than six-months.

13  
14 **THEREFORE, BE IT RESOLVED**, that position #3325 is reclassified as a Project Engineer  
15 Manager as described above and the Department is approved to fill the position; and

16  
17 **BE IT FURTHER RESOLVED** that expenditure authority for the position is transferred as  
18 described below, to reflect that expenditures will be incurred in Public Works instead of  
19 Information Management.
