Response,

Do not allow the home at 2290 County Road AB to be used as a short term rental.

I am concerned with my home value and my taxes are based on a single family home.

I am also concerned with the noise and respect for homeowners. We have already seen that allowing renters or weekend rentals have contributed to noise and boat regulation violations. The DNR is understaffed and the renters that visit do not care about the lake rules and regulations.

I have nothing against the owners of 2290 County Rd AB, I just do not want rental units within my home limits.

Thanks,

John Christianson
