## AUTHORIZING AN AGREEMENT TO ACCEPT HIGHWAY SAFETY GRANT FUNDS FOR A SPEED ENFORCEMENT COLLABORATIVE PROJECT

The Department of Transportation, Bureau of Transportation Safety, State of Wisconsin, is making funds available for participation in a 2016 Speed Enforcement Project, Grant Number FG-2016-MADISON-03425; grant project period is May 1, 2016 through September 30, 2016. The goal of this federally funded enforcement project is to reduce traffic crashes in Dane County by focusing on speeding violations, aggressive driving, and seatbelt violations. In Wisconsin during 2014, speed-related crashes were a contributing factor in 17.4% of all crashes, and almost 30.8% of all fatal crashes. Excessive speed is often associated with other high-risk behaviors including following too closely and failure to wear safety belts that increase the likelihood of a crash, significant injury, and fatalities.

Participating agencies in this enforcement collaborative effort include the Dane County Sheriff's Office and Madison Police Department. These two agencies will adopt a zero tolerance for impaired driving and unrestrained occupants during all motor vehicle stops. The Madison Police Department will be the administrator of this grant, collecting data from both agencies and filing a single report with the State of Wisconsin. The total allocation for this grant is \$130,000, Dane County Sheriff's Office will receive \$65,000 and Madison Police Department will receive \$65,000 for speed enforcement efforts.
