Title of Resolution or Ord. Amd.:

AMENDING CHAPTER 34 OF THE DANE COUNTY CODE OF ORDINANCES, REGARDING FIREARMS IN COUNTY BUILDINGS

Policy Analysis Statement:

Brief Description of Proposal -

This proposal authorizes a law enforcement officer who is authorized by the policy of their respective law enforcement agency to carry a firearm in County-owned buildings. The proposal also authorizes a private security guard who is authorized by law to carry a firearm, based upon show needs, on the grounds of the Alliant Energy Center with the prior written consent of the Executive Director

Current Policy or Practice -

Currently all law enforcement officers are authorized to carry firearms in County buildings. There is no provision in the current ordinances that allows private security officers to carry firearms at the Alliant Energy Center.

Impact of Adopting Proposal -

Adoption of this proposal would authorize off-duty law enforcement officers to carry a firearm in a County building if authorized to carry by the policy of their respective agency and authorize the Alliant Energy Center Executive Director to authorize a private security guard authorized by law to carry a firearm in AEC buildings if needed for a specific event or show.
