D. Presentations

1. Work-N-Wheels Program

Jeff Segebrecht SWCAP gave a brief overview of the Work-N-Wheels
program. Car loan eligibility is based on income and ability to get to and
from work. Dane County has 24 residents with interest free car loans. Loan
repayment is current on 83% of the outstanding loans. Typical car payments
are \$150.00 - \$175.00 per month based on participants ability to pay.

2. Legislative Day

Betzig gave a recap of the Transportation Legislative Day held at the State Capitol on March 8, 2017.

Legislative issues include: creating a State Transit Capital Investment Program with VW settlement money; eliminating cuts to the Transit Operating Assistance Program; holding the Transportation budget harmless for the addition of New Shared-Ride Taxi Systems; insuring that Volunteer Drivers are not subject to increased personal car insurance cost; insisting Non-Emergency Medical Transportation, MTM, meets their obligation to continue a Transportation Advisory Committee with appropriate statewide representation and hire a third party external advocate to represent customers; supporting the Coordinating Council on Access and Mobility and increasing the Charitable Mileage Reimbursement Rate.

These Reports show a drop in 2016 bus pass distribution, most likely due to a staffing shortage at the call center. Accumulated 2014, 2015, 2016 bus pass distribution reveals consistency: 80% of bus pass recipients were contacted and 75% of those contacted found employment

4. 2016 Total Rides

The Mobility Management Call Center authorized 33,060 rides.
2016 rides are slightly less than 2015, most likely due to staffing shortages at the call center.
Total rides authorized in 2016 were 277,129.

E. Reports to Committee
