

ADDENDUM OF CONTRACT FOR RENTAL EQUIPMENT AND ASSOCIATED SERVICES

The Alliant Energy Center relies heavily on rental equipment to meet the setup needs of events being held on its campus, as well as to maintain its grounds. Due to the high acquisition cost of some of the equipment, it is more cost effective to rent it. Purchase of Service Agreement #13138 was awarded to Sunbelt Rentals, Inc. of Fort Mill, South Carolina effective July 1, 2017 to provide rental equipment and associated services.

The Master Agreement is currently for one year with four one-year options and a \$125,000 maximum annual cost. At this time, the AEC needs to increase this contract amount by \$100,000 to allow for rentals through the end of the contract term June 30, 2021. The changing needs of these pandemic years have caused the need for an increase in rented items.

NOW THEREFORE BE IT RESOLVED, that the contract addendum with Sunbelt Rentals, Inc., 2341 Deerfield Drive, Fort Mill, South Carolina, 29715 is hereby approved.

BE IT FINALLY RESOLVED, that the County Executive and County Clerk are authorized to sign the addendum.
