The Dane County Double Dollars program helps families who receive FoodShare stretch their dollar and purchase more healthy foods, it creates new customers for local growers, and it helps keep FoodShare dollars in the local economy. It does this by providing matching dollars to families receiving FoodShare who choose to use their benefit dollars at a participating famers market (or Willy Street Co-op during the off-season)

		CONSULTANT FOR HOMELESSNESS PLAN	\$75,000

Intent/Justification

Dane County's Homeless Services Consortium, our HUD Continuum of Care, has a Community Plan to Prevent and End Homelessness Oversight Committee. This committee is in charge of oversight of the HUD mandate to have a community plan and has the following charge: Monitor and report annual results on Action Steps in the Community Plan; responsible for planning five (5) year community process to review goals and objectives to ensure that they continue to reflect current and future activities; review plan to ensure goals are relevant for community; annually recommend priorities to the HSC Board; committee must meet at least quarterly; membership should include direct service staff and agency managers. The current plan was developed in 2016. This amendment would provide \$75,000 to match the \$75,000 contribution from the City of Madison for an RFP to hire a consultant that can assist with the Community Plan update.
