Subject:

Greetings,

We were not able to participate in the Dane Co zoning meeting last Tuesday. We oppose the new gravel pit for the following reasons.

- increase dump truck traffic, already a problem. Std 1, 4, 5.
- surface and ground water pollution with diesel fuel and hydraulic fluid. Std 4.
- noise, dust hazards. Std 1,2.
- loss of farmland. Std 8.
- future Town liabilities. Std 7
- not safe for bikers & walkers. Std 1&5.

Not sure why Town Board couldn't make a decision, doesn't meet most of Town standards.

Thanks for your efforts.
