Dear Dane County Board,

We have lived in Applewood Hill for over 40 years. Overall, Applewood has been a wonderful place to live, mainly because of the respect and friendship that neighbors have had for one another and for the covenants we live by. We are a one home- one family neighborhood, according to our covenants. Now this Applewood rule has been challenged by the Tuttle family and the BBDS franchise, against the wishes of every household in Applewood. How can a school be placed in a neighborhood that is not designated for it, is not that safe for it (traffic pattern, two lane curvy road, no sidewalks, no fence)? How can BBDS use the resources (water, gas) of the neighborhood without checking the covenants to see the validity of it? How is this fair? How is this legal? Please consider the neighborhood's point of view.

Sincerely,

Miki and Ivan Knezevic
