

2021 RES-346

AUTHORIZATION TO MAKE PAYMENTS TO
SYSCO FOR CONSOLIDATED FOOD SERVICE

Consolidated Food Service prepares meals for the Dane County Sheriff's Office, Badger Prairie Health Care Center, Juvenile Detention Center and more than a dozen Senior Centers throughout Dane County. Recently, CFS has changed prime food vendors from U.S. Foods to Sysco. Sysco is a more reliable supplier that provides excellent customer service to CFS, which allows CFS to best serve clients.

Current county practice calls for the invoices from purchases such as these to be approved by the Personnel and Finance Committee and for those over \$10,000 to be approved by the County Board. Under this process, CFS cannot pay the invoices quickly enough to prevent disruption to service.

THEREFORE BE IT RESOLVED that the Controller's Office is authorized to issue checks to Sysco to allow CFS to continue prompt payment for continued service.
