If Grantee becomes non-compliant with any of the above from activity occurring during the Performance Period, Grantee shall immediately notify the Department and the Department may exercise all remedies available to it, including but not limited to termination of this Grant Agreement and recoupment of the Grant Award. The Department's rights to recoupment as set forth herein shall survive the termination of this Grant Agreement.

ARTICLE 10. STANDARDS OF PERFORMANCE

Grantee shall perform activities as set forth in the grant application and described herein in accordance with those standards established by statute, administrative rule, the Department, and any applicable professional standards.

ARTICLE 11. APPLICABLE LAW

ARTICLE 12. NONDISCRIMINATION AND AFFIRMATIVE ACTION REQUIREMENTS

In connection with the performance of work under this Grant Agreement, Grantee agrees not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability as defined in s. 51.01 (5), sexual orientation or national origin except as otherwise permitted by law. This is with respect to, but is not limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Except with respect to sexual orientation, Grantee further agrees to take affirmative action to ensure equal employment opportunities. Failure to comply with the conditions of this article may result in the declaration of Grantee ineligibility, the termination of this Grant Agreement, or the withholding of funds.

ARTICLE 13. COMPLIANCE BY THIRD-PARTY RECIPIENTS OF FUNDS

With respect to funds received by Grantee under this Agreement, for each payment or distribution of funds made by Grantee to third-parties, including subrecipients, contractors, and beneficiaries, Grantee shall be

responsible for ensuring third-party compliance with all laws, rules, and regulations applicable to the receipt of such funds, including but not limited to applicable requirements of 2 C.F.R. Part 200 (Uniform Guidance), and the affirmative action requirements set forth in Article 12.

ARTICLE 14. INTERNAL CONTROLS

Grantee shall establish and maintain effective internal controls over the Grant Award funds that provide reasonable assurance that Grantee is managing the Grant Award in compliance with Federal statutes, regulations, and the terms and conditions of the Federal award. These internal controls should be in compliance with guidance in “Standards for Internal Control in the Federal Government” issued by the Comptroller General of the United States or the “Internal Control Integrated Framework”, issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

ARTICLE 15. SEGREGATION OF FUNDS AND ACCOUNTING RECORDS

Grantee shall maintain all Grant Award funds in a separate bank account used exclusively for the Grant Award funds or specifically identify the Grant Award funds in a separate internal account used to track all deposits, obligations, and expenditures of Grant Award funds. Grant Award funds shall be used only for purposes of Eligible Expenses pursuant to this Grant Agreement. Grant Award funds shall not be intermingled with funds received from any other source, including but not limited to other grant awards received from the State pursuant to ARPA or the Coronavirus Relief Fund. Additional requirements of Grantee’s financial management system are set forth in Article 16 below.

ARTICLE 16. FINANCIAL MANAGEMENT SYSTEM

Grantee shall maintain a financial management system that complies with the requirements of 2 C.F.R. § 200.302, all other rules, regulations and requirements of the funding source described in Attachment B and with standards established by the Department to assure funds are spent in accordance with law. The financial management system shall permit the tracing of funds to a level of expenditures adequate to establish that such funds have been used according to all applicable federal statutes and regulations and the terms and conditions of this Agreement.

Grantee shall assure that accounting records for funds received under this Grant Agreement are sufficiently segregated from other agreements, programs, and/or projects.

Grantee shall maintain a uniform double entry, full accounting system and a financial management information system in accordance with Generally Accepted Accounting Principles. Grantee’s financial management system shall further provide for the following:

- a) Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the Assistance Listings title and number, Federal award identification number and year, name of the Federal agency, and name of the pass-through entity, if any.
- b) Accurate, current, and complete disclosure of the financial results of each Federal award or program in accordance with the reporting requirements set forth in 2 C.F.R. §§ 200.328 and 200.329.

Grantee shall maintain documented procurement procedures that conform to the procurement standards identified in 2 C.F.R. §§ 200.317 through 200.327. Grantee must maintain written standards of conduct governing procurement and the selection, award and administration of contracts that prohibit real or apparent conflicts of interest. No employee, officer, or agent of Grantee who has a real or apparent conflict of interest may participate in the selection, award, or administration of a contract supported by Grant Award funds.

All costs incurred by Grantee and paid for with Grant Award funds must be reasonable. A cost is reasonable if, in its nature and amount, it does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost.

ARTICLE 18. RECORDKEEPING AND PUBLIC RECORDS LAW

During and for a period of five (5) years from the end of the Performance Period, Grantee shall maintain copies of all documents, including electronic documents and files, relating to Grantee's participation in the Program, including but not limited to all documents relating to goods and services purchased using Grant Award funds.

The Department and any of its authorized representatives shall have access to and the right at any time to examine, audit, excerpt, transcribe and copy on Grantee's premises any directly pertinent records and computer files of Grantee involving transactions relating to this Agreement. Similarly, the State shall have access at any time to examine, audit, test and analyze any and all physical projects subject to this Agreement. If the material is held in an automated format, Grantee shall provide copies of these materials in the automated format or such computer file as may be requested by the State.

This provision shall also apply in the event of cancellation or termination of this Agreement. Grantee shall notify the State in writing of any planned conversion or destruction of these materials at least 90 days prior to such action. Any charges for copies provided by Grantee of books, documents, papers, records, computer files or computer printouts shall not exceed the actual cost thereof to Grantee and shall be reimbursed by the State.

Pursuant to Wis. Stat. § 19.36(3), all records of Grantee that are produced or collected under this Grant Agreement are subject to public disclosure pursuant to a public records law request.

ARTICLE 19. AUDIT

Grantees, or their assignees, that **expend** more than \$750,000 in Grantee’s fiscal year shall have a certified annual audit performed, pursuant to 2 C.F.R. § 200.501, utilizing Generally Accepted Accounting Principles and Generally Accepted Auditing Standards, consistent with 2 C.F.R. Part 200 (Uniform Guidance) audit provisions, other than such provisions as the Treasury Department may determine as inapplicable to this Award and subject to such exceptions that may be otherwise provided by Treasury Department, and the State Single Audit Guidelines issued by DOA. Audit reports are due to the Federal Audit Clearinghouse within the earlier of 30 calendar days after receipt of the auditor’s report(s), or nine months after the end of the audit period.

ARTICLE 20. NO DUPLICATION OF FUNDS

No duplication of payment or reimbursement from another funding source is permitted. If Grantee receives funding from another source that is used to pay for or reimburse any expenditure that was reimbursed with funds received pursuant to this Grant Agreement, Grantee will notify the Department, withdraw the claimed expenditure to the extent covered by another source, and (a) utilize the funds received under this Grant Agreement for other Eligible Expenses sufficient to cover the payment received for the withdrawn expenditure during the Performance Period, or (b) repay the amount to the Department.

ARTICLE 21. REIMBURSEMENT OF FUNDS TO DEPARTMENT

Grantee shall be responsible for reimbursement to the Department for any disbursed funds which are determined by the Department to have been misused or misappropriated. The Department may also require reimbursement of funds if the Department determines that any provision of this Grant Agreement has been violated. Any reimbursement of funds which is required by the Department, with or without termination, shall be due within forty-five (45) days after giving written notice to Grantee.

ARTICLE 22. INDEMNIFICATION

In carrying out the provisions of this Grant Agreement or in exercising any power or authority contracted to Grantee thereby, there shall be no personal liability upon the State, it being understood that in such matters the Division and the Department act as agents and representatives of the State.

Grantee shall indemnify and hold harmless the State and all of its officers, agents and employees from all suits, actions or claims of any character brought for or on account of any injuries or damages received by any persons or property resulting from the operations of Grantee, or of any of its agents or subrecipients, in performing work under this Grant Agreement.

Grantee shall indemnify and hold harmless the State and all of its officers, agents and employees from all suits, actions or claims of any character brought for or on account of any obligations arising out of agreements between Grantee and third-parties to perform services or otherwise supply products or services. Grantee shall also hold the State harmless for any audit disallowance related to the allocation of administrative costs under this Grant Agreement, irrespective of whether the audit is ordered by federal or state agencies or by the courts.

ARTICLE 23. SUBLET OR ASSIGNMENT OF AGREEMENT

Except for work expressly attributed to sub-recipients and partners in Grantee’s grant application, Grantee, its agents, sub-recipients, and subcontractors shall not sublet or assign all or any part of the work under this Grant Agreement without prior written approval of the Department. The Department reserves the right to reject any subcontractor or subgrantee after notification. Grantee shall be responsible for all matters

involving any subcontractor or subgrantee engaged under this Grant Agreement, including grant compliance, performance, and dispute resolution between itself and a subcontractor or subgrantee. The State and Department bear no responsibility for subcontractor or subgrantee compliance, performance, or dispute resolution hereunder.

ARTICLE 24. DISCLOSURE: STATE PUBLIC OFFICIALS AND EMPLOYEES

If a State public official as defined by s. 19.42, Wis. Stats., or an organization in which a State public official holds at least a 10% interest is a party to this Grant Agreement, this Grant Agreement is voidable by the State unless timely, appropriate disclosure is made to the State of Wisconsin Ethics Commission, P.O. Box 7125, Madison, WI 53707-7125.

Grantee shall not engage the services of any person or persons now employed by the State, including any department, commission or board thereof, to provide services relating to this Grant Agreement without the prior written consent of the State and the employer of such person or persons.

Grantee, its agents and employees shall observe all applicable provisions of the Ethics Code for Public Officials under Wis. Stat. Secs. 19.41 et seq. and 19.59 et seq.

ARTICLE 25. ADDITIONAL CONDITIONS

The Department may impose additional conditions as needed, pursuant to 2 C.F.R. § 200.208(b), by providing written notice to Grantee, as set forth in Attachment I. The Department may remove (or reduce) an additional condition by providing written notice to the Grantee. Grantee failure to comply with an additional condition may result in a Department decision to pursue remedies consistent with 2 C.F.R. § 200.339, including a decision to suspend or cease payment of Grant Award funds.

ARTICLE 26. SUSPENSION OF PAYMENTS FOR FAILURE TO PERFORM

The Department reserves the right to suspend payment of funds if required reports are not provided to the Department on a timely basis or if performance of grant activities is not evidenced. The Department further reserves the right to suspend payment of funds under this Grant Agreement if there are deficiencies related to the required reports or if performance of contracted activities is not evidenced on other contracts between the Department and Grantee in whole or in part.

Grantee's management and financial capability including, but not limited to, audit results and performance may be taken into consideration in any or all future determinations by the Department and may be a factor in a decision to withhold payment and may be cause for termination of this Grant Agreement.

ARTICLE 27. TERMINATION OF AGREEMENT

The Department reserves the right to terminate this Grant Agreement in whole or in part, with or without cause, without penalty to the Department, effective upon mailing of notice of termination to Grantee. For the avoidance of doubt, termination by the Department is permitted for, among other things: failure of Grantee to make sufficient progress, failure of Grantee to comply with any of the terms of this Grant Agreement, and lack of appropriation.

Upon receipt of termination notice, Grantee shall make available to the Department program records, equipment, and any other programmatic materials. In the event the Grant Agreement is terminated by either party, for any reason whatsoever, Grantee shall refund upon written demand to Grantee any payment made by the Department to Grantee that exceeds actual approved costs incurred in carrying out the Program as of the date of termination.

ARTICLE 28. AMENDMENT

This Grant Agreement may be amended by mutual consent of the parties hereto. Amendments shall be documented by written, signed and dated addenda.

ARTICLE 29. SEVERABILITY

If any provision of this Grant Agreement shall be adjudged to be unlawful, then that provision shall be deemed null and void and severable from the remaining provisions and shall in no way affect the validity of this Grant Agreement.

ARTICLE 30. SURVIVAL OF REQUIREMENTS

Unless otherwise authorized in writing by the Department, the terms and conditions of this Grant Agreement shall survive the Performance Period and shall continue in full force and effect until Grantee has completed and is in compliance with all the requirements of this Grant Agreement.

ARTICLE 31. WAIVER

Failure or delay on the part of either party to exercise any right, power, privilege, or remedy hereunder shall not constitute a waiver thereof. A waiver of any default shall not operate as a waiver of any other default or of the same type of default on a future occasion.

ARTICLE 32. CHOICE OF LAW AND VENUE

In the event of a dispute, this Agreement shall be interpreted in accordance with the laws of the State of Wisconsin. The venue for any dispute shall be Dane County, Wisconsin.

**BUDGET COST CATEGORIES
TOURISM CAPITAL GRANT PROGRAM**

In accordance with Federal regulation [2 CFR 200 Subpart E Cost Principles](#), all costs must be allowable, reasonable, allocable, and eligible. Certain costs may require pre-approval and additional details if not already itemized and approved in the Grantee's application budget.

The following table provides summary information intended to assist in the assignment of costs to the correct budget cost category. The description is not intended to provide comprehensive information related to allowable costs or other requirements a cost may be subject to. Grantees are encouraged to review the applicable sections of the Grant Agreement for further references to cost requirements.

Cost Category	Description
A Advertising	Costs of advertising media and corollary administrative costs. In general, <u>only advertising costs related solely to program outreach are allowable.</u>
B Construction - New	Erection of new structures or other improvements necessary for and as part of the approved project. Examples of eligible costs include materials and labor used for construction of the physical structure, as well as related engineering, architecture, site preparation, and demolition costs.
C Construction - Remodel/Renovation	Minor and major alterations or additions to existing structures or other improvements as part of the project. Examples of eligible costs include materials and labor used to create the remodeled/renovated structure, as well as <u>engineering, architecture, site preparation and demolition costs.</u>
D Construction – Utility Service	Costs associated with new utility service or utility service upgrades to support approved project construction costs. Only includes the costs associated with providing utility service to the project building or grounds (e.g., connecting to water and sewer, upgrading electrical service capacity). Allowable only with written pre-approval from the Department.
E Construction - Remediation	Certain construction, site or structure costs associated with site decontamination, removal of hazardous substances, or environmental remediation that are allowable and necessary to complete an approved project. Allowable only with written pre-approval from the Department.
F Construction - Contingency	Estimate of future costs associated with possible events or conditions arising from causes the precise outcome of which is indeterminable at the time of estimate, and that experience shows will likely result, in aggregate, in additional costs for the approved activity or project. Amounts for major project scope changes, unforeseen risks, or extraordinary events may not be included. Calculation of contingency amounts must be reasonable and documented.
G Depreciation	The method for allocating the cost of fixed assets to periods benefitting from asset use. If depreciation is being claimed as a project cost, the depreciation allocation methodology must comply with the Federal requirements set forth in 2 C.F.R. sec. 200.436.
H Equipment	Tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost which equals or exceeds the lesser of the capitalization level established by Grantee for financial statement purposes, or \$5,000.
I Insurance	Insurance costs incurred in connection with the approved project.
J Participant Support Costs	Direct costs for items such as stipends or subsistence allowances, travel allowances, and registration fees paid to or on behalf of participants or

		trainees (but not employees) in connection with conferences, or training projects.
K	Personnel - Salaries	Direct costs for the salaries, wages, and allowable incentive compensation for those individuals who are employees of the Grantee who will perform work directly for the project. Grantee must maintain records of the employee type, employee number, rate of pay and percent of time and/or actual time devoted to the project. Timesheets or other similar documentation must be maintained. Employee compensation must not be greater than that paid for similar work not funded by the grant. Additional requirements apply.
L	Personnel - Fringe Benefits	Fringe benefits are allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages. Fringe benefits include, but are not limited to, the costs of leave (vacation, family-related, sick or military), employee insurance, pensions, and unemployment benefit plans. Except as provided elsewhere in these principles, the costs of fringe benefits are allowable provided that the benefits are reasonable and are required by law, non-Federal entity-employee agreement, or an established policy of the non-Federal entity.
M	Professional Services	Costs of professional and consultant services rendered by persons who are members of a particular profession or possess a special skill, and who are not officers or employees of the Grantee. Costs must be reasonable in relation to the services rendered and payment cannot be contingent on the receipt of grant award funds.
N	Real Property Acquisition	Costs associated with purchase of land, air rights, easements, water rights, rights-of-way, structures or improvements, or other interests in real property that directly supports the approved project, and vests with the Grantee indefinitely. Note that real property may not be sold, encumbered, or otherwise disposed of without the consent of DOA and/or the U.S. Department of the Treasury. See 2 C.F.R. sec. 200.311.
O	Rental of Real Property & Equipment	Costs associated with rental of property and equipment (including vehicles). Does not include rental costs that may be included in travel or as an indirect cost.
P	Supplies	All tangible personal property <i>other than</i> those included in the definition of “equipment” above. Generally, property with a per item acquisition cost of less than \$5,000. Examples include personal computers, printers, other computer-related items, office furniture, and office supplies, below the dollar-threshold for “equipment”.

R	Vehicle Acquisition	Direct purchase and associated purchase costs for on-road vehicles. Note that vehicles costing \$5,000 or more may not be sold, encumbered, or otherwise disposed of without the prior approval of DOA and/or the U.S. Department of the Treasury. See 2 C.F.R. sec. 200.313.
S	Other	Provide brief description of cost and amount. May require pre-approval. Must have been included in the Grantee’s original application budget.
W	Subawards (e.g. subrecipients) – Total Direct	Subawards are grant awards made by Grantee to third parties using Grant Award funds. Subawards do not include costs associated with ordinary purchases of goods or services (e.g., hiring a third party to provide

	professional services). Grantee must maintain oversight and monitoring of subawards in accordance with applicable Federal law.
X Subawards (e.g. subrecipients) – Total Indirect	Total indirect costs of subaward recipients. See definition of “Indirect Costs” below.
Y Program Income	Gross income earned by the non-Federal entity that is directly generated by a supported activity or earned as a result of the Federal award during the period of performance.
Z Indirect Costs	Costs incurred by the Grantee for a common or joint purpose that benefit more than one cost objective or project and are not readily assignable to specific cost objectives or projects as a direct cost. Typically, indirect costs are general costs of operation, such as the costs of operating and maintaining facilities, depreciation on buildings and equipment, and salaries and expenses of executive officers, personnel administration and accounting. If the Grantee has an existing Federal indirect cost rate, that rate should be used to calculate indirect costs for the project budget. If not, then the Grantee may either use an indirect cost rate of 10% of the total Grant Award or negotiate an agreed indirect cost rate with the Department. Grantee is not required to include an amount on the indirect costs budget line.
AA Total Direct	Total direct costs (include subrecipient and subaward direct costs)
BB Total Indirect	Total indirect costs (include subrecipient and subaward indirect costs)
CC Project Total (gross)	Total allowable project costs (Total Direct plus Total Indirect)
DD Project Total (net)	Net allowable project costs (Project Total costs less Program Income). Must match total award amount.

Cost Share (aka Match)	<p>If the budget included with your grant application identified matching funds or in-kind contributions as part of your project, Federal regulations require that those committed funds or contributions be tracked and properly accounted. Funds or in-kind contributions that are not required for the project should not be included in this category, as anything proposed by Grantee and listed in the “Cost Share” column of your budget is considered voluntary committed cost share and becomes part of the federal award. See 2 C.F.R. § 200.1 (voluntarily committed cost sharing). Matching funds and in-kind contributions committed by Grantee for this project may not also be committed to another state or federal grant project.</p> <p>With certain exceptions, in-kind contributions of goods or services must be valued at their fair market value. Voluntary committed cost share is also subject to 2 C.F.R. 200.306.</p>

the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Grantee for the period during which it retains ownership or possession of the property.

5. Grantee acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances 1-4 above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between Grantee and its sub-grantees, contractors, subcontractors, successors, transferees, and assignees”

Title VI also includes protection to persons with “Limited English Proficiency” in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury’s Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made a part of this contract or agreement.

Grantee shall comply with information requests, on-site compliance reviews and reporting requirements.
8. Grantee shall maintain a complaint log and inform the Department and the Department of Treasury of any complaints of discrimination on the grounds of race, color, or national origin, and limited English proficiency covered by Title VI of the Civil Rights Act of 1964 and implementing regulations and provide, upon request, a list of all such reviews or proceedings based on the complaint, pending or completed, including outcome. Grantee also must inform the Department and the Department of the Treasury if Grantee has received no complaints under Title VI.

9. Grantee must provide documentation of an administrative agency's or court's findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary compliance or other agreements between Subrecipient and the administrative agency that made the finding. If Grantee settles a case or matter alleging such discrimination, Grantee must provide documentation of the settlement. If Grantee has not been the subject of any court or administrative agency finding of discrimination, please so state.
 10. If Grantee makes sub-awards to other agencies or other entities, Grantee is responsible for ensuring that sub-recipients also comply with Title VI and other applicable authorities covered in this document. If Grantee is a State agency that makes subsequent sub-awards Grantee must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of such sub-recipients.

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned or Grantee, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
 2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, Grantee shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
 3. Grantee shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Wisconsin Department of Administration (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
