Fiscal Note

The proposed resolution authorizes the acceptance of funds and amends the Public Health Madison Dane County (PHMDC) 2022 operating budget for a Wisconsin Department of Health Services “Mobilizing Community for a Just Response” grant. The \$100,000 grant will support a Population Health Fellow (\$70,000) in the Policy Planning and Evaluation Division of PHMDC and a contract with the Institute on Poverty for a Madison Community Fund program coordinator (\$30,000). The grant is effective through May 2023.

Title

Resolution Authorizing the Acceptance of Funds from the State of Wisconsin Department of Health Services to support a Population Health Fellow with the Forward Madison Fund.

Body

WHEREAS, the Madison Forward Fund, in partnership with the Institute on Poverty is poised to pilot a guaranteed income project in the City of Madison. This project will serve to support a diverse, inclusive, and competent public health workforce in hosting a health fellow at PHMDC as well as the implementation of the Madison Forward Fund; and

WHEREAS, a collaboration with Public Health Madison and Dane County and the Population Health fellowship program will add a public health lens and be key in leveraging partnerships established as part of PHMDC’s COVID-19 response; and

WHEREAS, funding (\$100,000) from the Department of Health Services, Mobilizing Communities Grant will support a Population Health Fellow (\$70,000), in the Policy Planning and Evaluation Division of Public Health Madison and Dane County. It will also support a Madison Community Fund program coordinator (\$30,000) to be hired by the Institute on Poverty.

WHEREAS, the Fellow will work with PHMDC staff and the Forward Fund team to leverage and enhance key partnerships nurtured during the ongoing response to COVID-19 in addition to supporting on-going efforts in the Policy Planning and Evaluation division.

WHEREAS, this Fellow will work to conduct analysis and give recommendations on how direct cash transfer programs can impact health equity and social determinants of health in Madison and Dane County. Involvement with this pilot will allow for expanded partnerships in exploring this innovative approach to affecting health equity.

WHEREAS, the research tells a compelling story: living wages translate to better health and quality of life. Importantly, these benefits would most significantly affect women and people of color- a step toward gender and racial equity.

WHEREAS, the Department of Health Services has selected PHMDC as a recipient for funding through the Mobilizing Community for a Just Response Grant in the total of \$100,000 to conduct project activities through May 2023.

NOW THEREFORE BE IT RESOLVED that Public Health Madison and Dane County is authorized to accept and expend funding of \$100,000 from the State of Wisconsin Department of Health Services as part of the Mobilizing Community for a Just Response initiative; and

BE IT RESOLVED Public Health Madison and Dane County is authorized to amend the 2022 Operating Budget in the amount of \$100,000; and

BE IT FINALLY RESOLVED that the Director of Public Health, or their designee, is authorized to create and sign an agreement with the State of Wisconsin Department of Health Services for the program and amount outlined above.
