Minutes - Draft

Emergency Medical Services - Medical Advisory Subcommittee

Consider:

Who benefits? Who is burdened?

Who does not have a voice at the table?

How can policymakers mitigate unintended consequences?

[MIN-101](#)

MEDICAL ADVISORY SUBCOMMITTEE MAY 2022 MINUTES

Attachments: [May Minutes](#)

A motion was made by JOHN AGUILAR, seconded by MANCERA, that the minutes be approved. The motion carried by a voice vote.

C. Discussion Items

SSM Health Stroke Program - Bleifuss

Update that SSM St. Marys will have 24/7 Thrombectomy capabilities starting this month. Training is available thru their program if needed by EMS agencies. Stoughton EMS created a stroke check sheet to assist with the change to BEFAST, this will go out to EMS and the ER for use.

Hovermatt for Patient Movement at ED

Meier was asked if all hospitals could consider hovermatt to assist with patient movement from cot to bed.

Asked that all ED representatives check on this and we will discuss next month.

University Ave Construction Update

No update at this time. UW plans to send a survey to EMS providers for any feedback they have.

ED Triage with EMS Transports

Meier wanted to discuss the use of triage in waiting room for ambulance transported patients. Think it would be good to better educate on what this means for patients and allow EMS to be more prepared for this question of appropriateness. Will continue discussion next month.

D. Presentations

E. Reports to Committee

Dan with RTAC reports that multi victim trauma bags are available to agencies if needed. Contact him via email.

Introduced Zander Johnston from DCEM

Survivor celebration on June 11th - 118 survivors being celebrated - 21 plan to attend.

Thank you to Cory Hromatko from UW for his time as EMS Liaison

Thank you to Dr. Darr, UW fellow who is completing her rotation.
