

1 **2022 RES-058**

2 **COOPERATIVE AGREEMENT FOR THE EAST-WEST BUS RAPID TRANSIT PROJECT**
3 **BETWEEN THE CITY OF MADISON AND DANE COUNTY**

4
5 Representatives of the City of Madison have initiated the East-West Bus Rapid Transit
6 (BRT) Project. Although the BRT will provide less service in parts of the urban area, the
7 project will connect destinations through the Madison Urban Area and will provide
8 improved transit access within an area of high ridership, numerous activity centers, and
9 increasing reinvestment in business centers and neighborhoods.

10
11 The project is located partly on CTH MS / University Avenue from Segoe Rd to Shorewood
12 Blvd which is Dane County's jurisdiction.

13
14 Dane County will not be contributing funding for this project. The agreement will permit the
15 City of Madison to install and operate BRT facilities within Dane County's jurisdiction
16 including providing necessary utility infrastructure and maintenance.

17
18 NOW THEREFORE BE IT RESOLVED that the County Executive and the County Clerk be
19 authorized and directed to execute this cooperative agreement on behalf of Dane County,
20 with the City of Madison.
