To whom it may concern-

I am writing in support of Kevin Hahn's proposal to open a working quarry in the Town of Rutland. Mr. Hahn is a great partner with our business here at Brooks Tractor in Sun Prairie Wisconsin. We have over one-hundred employees in Wisconsin with up to thirty locally in Dane County. Kevin's business with Brooks Tractor helps keep these workers employed so they can contribute to our local economy. I have no doubt that Mr. Hahn will run a top-notch operation while supporting Dane County's economy by supplying locally sourced aggregates. Please give this proposal your approval to promote a business-friendly environment in Dane County.
