2021 RES-355

**ACCEPTING COVID-19 VACCINE ACCESS FUNDING FROM
THE STATE OF WISCONSIN DEPARTMENT OF HEALTH SERVICES
DCDHS – ACS DIVISION**

The Aging and Disability Resource Center (ADRC) of Dane County has been awarded a grant from the Wisconsin Department of Health Services titled, "No Wrong Door System COVID-19 Vaccine Access Supplemental Funding." The intent of the grant is to improve access to COVID-19 vaccinations for older adults, people with disabilities, and family caregivers. This one-time funding is available through September 30, 2022 and has been made available to ADRCs through the state's allocation of federal Coronavirus Response and Relief Supplemental Appropriations.

One use of these funds will be to provide rides for older adults, people with disabilities, and family caregivers to and from vaccination sites. The ADRC of Dane County is also talking with community providers in an attempt to coordinate in-home COVID-19 vaccinations for those vulnerable individuals who are unable to leave their homes to obtain the vaccine. There is no local match requirement for use of these funds.

The ADRC of Dane County is the primary place for people to obtain unbiased, accurate information on all aspects of life related to aging or living with a disability. The ADRC is a one stop shop to can get information for yourself, or if you are a concerned family member, friend, caregiver, or other professional. This grant fits well into the mission of the ADRC.
