We will not be able to participate in person due to age and availability. Our three issues/concerns are:

- Parking/number of cars
- Number of renters at one time
- Number of days required for renter

We would be concerned about weekend partying and/or overnight parties.

Our family has had farm and property in the area since 1871. We are in our mid 80s and try to watch out for future generations. Thank you very much for allowing us input. We appreciate it.
