Dear Mr. Tiziani:

This letter accepts your Individual Permit (IP) Applications for Wetland Disturbance and Stream Dredging near Cherokee Lake in Westport Township, Dane County.

Our field staff are currently evaluating your proposal. Depending on the amount of information you provided and the complexity of your project, you may be asked to provide additional information so that a complete evaluation can be made. We will notify you of the final disposition of your application as soon as we complete our review.

If you have not already done so, please contact the Dane County and local municipal zoning offices to determine if a local permit is also required for your project. I have forwarded a copy of your application to the U.S. Army Corps of Engineers. They will advise you directly as to whether their regulations apply to your project.

If you would like to know more about this project or would like to see the application and plans, please visit the Department's permit tracking website at <https://permits.dnr.wi.gov/water/SitePages/Permit%20Search.aspx> and search for ePermit # WP-IP-SC-2021-13-X04-28T13-48-38.

If you have any questions, please contact your local Water Management Specialist, Allen Ramminger at (608) 228-4067 or email Allen.Ramminger@wisconsin.gov.
