2022 Budget - Medical Advisors

Meier detailed the plan for moving to three medical advisors in 2022 in place of one medical director. This was a decision made based on the needs of the EMS Community as they have evolved to having more clear medical direction locally and the lessons learned over the past few years. The RFP is currently open and the three will be decided prior to the end of the year.

Chief Stedman from Madison Fire gave an update on the CARES program. Discussion and questions were answered.

Dr. Kronenfeld briefed the Commission on the excellent progress of the Regional 2022 protocol update. Hopeful to have them approved by the State and trained on for a March 1st go live date.

Active Shooter Incident Management (ASIM) Training Update

Meier updated the Commission on the Public Private partnership with American Family to bring in a Train the Trainer course on Active Threat Incident Management for our Fire, EMS and Law Enforcement partners.
