Northpointe Development and DreamLane are constructing the Prairie Creek Apartments and Townhomes, a newly constructed forty-nine unit LIHTC multifamily development located on the east side of the Village of McFarland, Wisconsin. 37 units will be independent living senior and 12 family townhomes.

The development will consist of the new construction of 1, three-story elevated building containing 14, one bedroom/one bathroom units (senior, restricted to households with at least one member age 55 or older), 23, two bedroom/two bathroom units (senior, restricted to households with at least one member age 55 or older) and 2, two-story townhome style buildings consisting of 12, three bedroom/two bathroom units (multifamily, open to residents of all ages) for a total of forty-nine rental units.

The Developer proposes to set aside forty-four of the units for residents earning 30, 50, or 60 percent or less of the Dane County Area Median Income (“AMI”) using the Wisconsin Housing and Economic Development Authority (“WHEDA”) LIHTC Program, with the remaining eight units being rented at prevailing market rental rates targeting residents of all ages.

The subject development site is located on the far east side of the City of McFarland, Wisconsin. More specifically, the site is located at the northeast corner of the intersection of Holscher Road and Broadhead Street, a moderately traveled east/west thoroughfare within the City of McFarland.

The site is situated close to newly constructed single-family areas known as Prairie Place and Juniper Ridge. The site is located approximately 8.5 miles southeast of the main downtown area of Madison, Wisconsin, offering the amenities of a larger city.

The existing site decrease in elevation traveling north along the site. Additionally, the existing site slopes significantly downward along its eastern border next to the community-walking path. The site is somewhat irregular in shape but will require minimal infrastructure improvements as the proposed project's infrastructure will connect with the existing neighboring infrastructure.

The general area consists primarily of single-family neighborhoods north, east, and west of the subject site. To the south of the property, across of Broadhead Street, is an open field, the McFarland Baseball field, and additional single-family neighborhoods. Further north and south of the subject site are single-family neighborhoods. Further east of the subject site is an approximately 33-acre farm field and the Hope Rod and Gun Club. Further west of the subject site are additional single family neighborhoods and downtown McFarland, which contains a variety of commercial uses.

The Village is currently constructing their new public safety building across the street from the site.

The project will be rent restricted for a minimum of 35 years.

PROJECT APPROACH

- M. **PARTNERHIPS:** In the space below, provide information on any partnerships that have been or will be formed in order to ensure the success of the project.

Dreamlane and Northpointe have teamed up to co-develop the project. Dreamlane is an emerging Minority owned development firm building capacity in the affordable housing industry and Northpointe is an experience and established affordable housing development firm. Northpointe and Dreamlane plan to partner with LSS to coordinate services to the project's homeless, physically disabled, and veterans. Also, we have parntered with the Dane County Housing Authority to own a portion of the manangin member. DCHA, Northpointe, and DreamLane will own 51%, 25%, 24% of the managing member and all will have substantial involvement throughout the entire process including the 15-year compliance period. We have an executed MOU- Attached- with Lutheran Social Services regarding supportive services. LSS will provide staff to not only coordinate but also provide services directly to tenants as well.

We also intend to work with the County's HSC, McFarland Food Pantry, The McFarland Senior Center, and Joining Forces for Families.

We have also partnered with local Architects (Knothe and Bruce), Engineers (Vierbicher), GC (Krupp), Property Manager (ACC), and Council (Reinhart). All have significant experience in the Dane County Market and LIHTC development.

N. PARTNERING TO END HOMELESSNESS: In the space below, indicate the project’s willingness to partner with the Homeless Services Consortium and its housing placement system to end homelessness for individuals and /or families on the community by-name list; and, if units are unable to be filled from the by-name list, to willingness to expand access to units to households qualifying as homeless under other federal statutes. If project will not implement an HSC preference on any project units, indicate how the proposed project will forward the goal of ending homelessness without the HSC preference.

The project is willing to partner with HSC and its housing placement system to end homelessness. The project will also set aside units for families on the community by-name list as well as follow all Fair Housing Laws. The 10 30% units will have a preference for homeless households.

Total # of Project Units	# of Units Targeted to Individuals/Families on HSC community by-name list	% of Units Targeted to Individuals/Families on HSC community by name list
49	10	20.4%

Describe the process and anticipated timeline for outreach, application submittal, and tenant screening for HSC-set aside units.

2-4 months prior to occupancy we will start meeting weekly with the property manager, LSS, Dane County Veterans, and Dane County to discuss referrals, applications and screening. LSS and DCVA will coordinate with the property manager on which units are still available and send referrals. Those referrals will get assistance from LSS and DCVA to work through the application screening process. This process has worked well for our Limerick project which is currently being leased up and we expect to have all of the HSC units full prior to occupancy. On-going the property manager, LSS, and DCVA will stay in touch for when existing tenants move out and new referrals are needed.

Please note that if pre-leasing begins prior to announcements DCHA we will work with LSS and DCVA to occupy the 30% units with households off of the coordinated list. If unsuccessful we will still make an effort to work with HSC but will open up the remaining 30% units.

Use the table below to provide details of how supportive services will be provided to tenants. The plan should note any differences between services targeted to units with the HSC preference and services that will be available building-wide. Attach a letter from the identified partner(s) confirming the details of the plan.

Name of Supportive Services Partner, and number of staff dedicated to project:	Lutheran Social Services with have one part time staff dedicated to this project as well as a supervisor providing oversight.
Scope of Services provided to tenants and approaches supportive service partner will use to address needs of tenant population:	Lutheran Social Services will utilize wraparound a service coordination model where families residing at the property, including Veterans and persons with disabilities, will be given a single point of entry to accessing community and supportive services. An on-site coordinator will meet with individuals and families to complete an intake assessment and develop a strength-based, goal-oriented plan of care. The service coordinator will work with the tenant and their surrounding existing natural supports, to build a comprehensive team, to explore areas of need, and fill gaps in supports where identified.
Where tenants will access services. For examples will services be on-site at development in designated space or by referral to off-site community supports:	LSS Staff will have a confidential space at the apartment community where tenants and families can schedule appointments or drop in for support and services. The Service Coordinator is also available by phone and email when offsite, to provide additional supports as needed during business hours.
If services provided are referral to off-site community supports, please detail how tenants will receive information on supportive services that are available to them before and after needs arise:	LSS Staff will work with the household to identify strengths and needs through an assessment tool. The frequency of services provided and/or a proposed schedule of when services are available to tenants:	LSS staff will have consistent office hours which will be posted in several spots in the apartment complex, including the community room and other common areas. If tenants are unavailable during these times the Service Coordinator can be available for appointments or via phone.
How the supportive services partnership will be funded, including if the respondent is providing funding to support the partnership:	The property has committed to provide \$3,500 to LSS annually for services. We continue to have conversations with LSS to look for other avenues to obtain financial resources for our partner.
Relevant performance data that provides insight into the supportive service partner's experience serving the target tenant population, and the outcomes for their tenants. Metrics could include the number of individuals served in a related program in a year, housing retention rates for individuals served in that program, connections to employment, etc:	LSS collects data on an ongoing basis utilizing our Evolv database. Currently LSS has 2700 residents enrolled in Service Coordination over 108 total housing sites. Within the last year LSS has provided 66,819 units of direct service and had 19,954 individual 1-1 interaction with 4017 individual residents. Additionally, residents utilizing a LSS Service Coordinator have an average length of stay of 5.33 years compared to just 3.96 years for those who do not to receive services.

<p>How the supportive services partner and the respondent will work together to ensure the best outcomes for tenants, such as housing retention:</p>	<p>Service Coordinator will also work with the Property Management team to identify alternative strategies to avoid a negative outcome with tenants. This would include identifying and coordinating natural and community supports to assist individuals in continuing placement in their residence.</p>

T. **PROPERTY MANAGEMENT:** Describe the experience and qualifications of the organization that will be handling the ongoing property management.

ACC Management Group, Inc. is a full-service property management firm dedicated to providing professional results-oriented services to its clients. ACC currently operates over 80 properties and 4500 apartments throughout Wisconsin's major markets and Illinois. Headquartered in Oshkosh, WI, ACC's exceptional team of multi-family leaders has a proven track record of excellence in management of affordable housing with various state and federal programs including, Section 42 Tax Credit, Section 8, and Section 515.

Commitment, trust, and reliability is the foundation of our relationships with residents, employees, and partners. Our team works hard to earn the loyalty needed to develop and retain the long-term relationships associated with our shared success.

There are over 100,000 apartments built each year with the use of Low-Income Housing Tax Credits (LIHTC). Over the years, the LIHTC program and other affordable housing programs have become increasingly competitive, and as a result, complex. Most developments with an affordable housing component have multiple layers of financing, each with associated requirements. This includes varying regulations, reporting, and oversight requirements for Section 42 LIHTC, Project Based Section 8, AHP, HOME, and Rural Development. It also includes new components such as preferences, new set asides, RAD and more. Adhering to program requirements during the first year, and each subsequent year during the regulatory period is essential to any successful affordable housing real estate development.

ACC Management Group has established a long history of extraordinary program compliance proven by superior ratings with state and federal agencies, such as WHEDA, IHDA, and HUD. ACC's experienced team of compliance professionals assist you through the initial stages of your development and the entire regulatory period for your property.

With combined affordable housing management experience of nearly 100 years, ACC's leadership team is well qualified to ensure compliance with all regulatory agreements and provide valuable input throughout the development process.

Annually, ACC participates in new affordable housing developments as the management agent and compliance expert. ACC's leadership team typically becomes involved 12-18 months prior to the expected completion date. We offer our clients a fresh perspective on building design, staffing needs, market trends, and much more. As the completion date approaches, ACC's efforts increase and all hands are on deck for the lease-up of the new development. All applicants are qualified and the development is typically fully leased within 30 – 90 days of the completion date with full compliance of all regulatory agreements.

Most recently, ACC has assisted developers transition multiple properties from Public Housing to Section 8 housing through HUD's RAD program.

If a Property Manager has yet to be identified, please describe how one will be selected.

PROJECT FINANCING

U. **BUDGET SUMMARY:** Indicate the sources and uses of all funds for this project.

The County requires that the developer defer 40% of the developer fee as a financing source. If the sources and uses for a project indicate that less than 40% of the developer fee has been deferred,

the amount requested will be reduced by the difference between the percentage of the developer fee deferred and 40%

For example: Assume the developer fee is \$1,000,000 and \$350,000, or 35% of the fee is deferred. Also assume the request for county funding is \$500,000. The actual award would be reduced by \$50,000 and the project would receive an award of \$450,000, if selected.

SOURCE	AMOUNT	USES	AMOUNT
Federal LIHTC Equity	4,017,781	Land	790,000
WHEDA First Mortgage	5,737,500	New Construction	10,010,304
State LIHTC Equity	2,242,207	Construction Contingency	492,999
Dane County AHDF	450,000	Soft Costs	1,054,152
FHLBC AHP	735,000	Developer Fee	2,307,391
WHEDA HTF	485,000	Operating & Lease reserves	364,000
WHEDA Sub Debt	190,000		
Deferred Developer Fee	1,161,357		
TOTAL	15,018,846	TOTAL	15,018,846

V. Which of the identified sources have been secured?

All of the sources above have been secured except for the County funds. Also, the Village of McFarland waived approximately \$130,000 of park impact fees for the project.

W. If the project will be applying for tax credits, please indicate which applications will be submitted (e.g. 4%, 9%, senior), the proposed timeline for submittal.

The project has secured State and Federal 4% credits.

X. **FUNDS NEEDED:** In the space below, please describe why AHDF funds are needed to ensure the viability of this project.

Dreamlane and Northpointe have recently started construction. Prior to starting construction bids came in over \$1 million over budget. We were able to solve that overage by working with WHEDA, the Village of McFarland, and our other partners. However, the project has experienced some additional adversity after signing our construction contract. Our lumber price increased over \$150,000 and we lost our concrete sub-contractor and had to piecemeal the concrete on the project to 4 different subs which was another \$150,000 in additional expense. This also caused us a delay in getting the foundations in prior to frost and winter conditions. In addition, we ran into a significant amount of poor soils under the townhomes. Lastly we added a 29 KW solar system to the roof of the apartment building and have been attempting to cover allowance item prices increases. The AHDF funds would be extremely helpful in correcting some of our construction issues while also allowing us to work with HSC long term. This project is more "affordable" than typical tax credit projects as 44 out of the 49 units are set aside at 60% CMI or less, 23 at 50% CMI or less and 10 at 30% CMI. In addition, the 5 market rate units will be set-aside at 80% CMI due to the AHP funds.

RE: Prairie Creek Apartments, McFarland WI

Dear Mr. O'Brien,

This letter serves as evidence of ACC Management's commitment to serve as the Property Management agent for Prairie Creek, a 49-unit affordable multifamily property located in McFarland, WI. Northpointe has started construction and plans to open in December of 2023. ACC has significant experience in managing high-quality affordable housing projects throughout Wisconsin and has partnered with Northpointe on similar developments to-date.

ACC's role in this development will be to serve as the third-party Property Manager. While most property management firms take over when the project is complete, ACC is involved throughout the development process, providing valuable input to the design and development team on such issues as market-oriented amenities, desirable unit layouts and compliance-oriented design issues. ACC will market the property during construction and will manage all aspects of property management and programmatic compliance in the long term. This includes but is not limited to: establishing a tenant selection plan, waiting list, completing all aspects of the resident application process and resident screening, communicating with service providers assisting in supportive housing units, and maintaining the building.

ACC further acknowledges that they are aware and assisted Northpointe with the application's selections to Dane County's Fair Tenant Selection Criteria and have attached the Tenant Selection Plan for the property. We also are aware of Northpointe's commitment to Dane County's Tenancy Addendum as part of their funding application. We have reviewed specifics of the addendum and will include these requirements as part of our lease documents and house rules. Many of the criteria are already part of our standards.

If there are any questions regarding ACC's role as Property Manager or commitment to the County's requirements, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "CHAND", written in a cursive style.

If any circumstances change between the original application, prior to or after move-in, the applicant must notify the management office immediately as qualification to the Section 42 income limits may be affected. _____ (please initial)**

LUTHERAN SOCIAL SERVICES

Date 7.12.22

Lutheran Social Services (LSS) has a strong history of providing wraparound service coordination and case management services to residents of housing complexes in numerous locations throughout Wisconsin and Upper Michigan, and is recognized as a provider of choice in the state for partnering with development companies to develop supportive services within affordable housing.

Lutheran Social Services will utilize wraparound a service coordination model where families residing at Prairie Creek Apartments, including Veterans, will be given a single point of entry to accessing community and supportive services. An on-site coordinator will meet with individuals and families to complete an intake assessment and develop a strength-based, goal oriented plan of care. The service coordinator will work with the tenant and their surrounding existing natural supports, to build a comprehensive team, to explore areas of need, and fill gaps in supports where identified.

Scope of Services:

LSS will provide wraparound service provision and coordination, linking residents to supportive community services with a desired outcome of keeping the tenant and family members in stable housing. Specific services offered by LSS include:

- Completion of an intake assessment to identify strengths as well as areas of need for individuals and families. The Service Coordinator will make reasonable effort to engage residents in this process. It is understood and agreed that the resident has to voluntarily agree to participate in the process.
- Development of a case management plan for residents completing the intake assessment. This plan may include referral to other resources, including services and resources specific to their needs. This will include linking residents with programs that support independence and self-sufficiency, access to benefits, employment opportunities and financial assistance and management.
- The LSS Wraparound Service Coordinator will facilitate programming and supportive services for families. This will be done through:
 - An onsite presence by the Service Coordinator. LSS Staff will have a confidential space at the apartment community where tenants and families can schedule appointments or drop in for support and services. The Service Coordinator is also available by phone and email when offsite, to provide additional supports as needed, during business hours.
 - Facilitation of educational presentations and workshops. These will be based on the needs of the residents and can focus on resident identified issues such as positive parenting, budgeting, employment, educational resources, and benefit eligibility.
 - Connection to existing LSS services in the Madison area, including but not limited to, mental health counseling and psychiatric care through telehealth.

In addition to providing families access to LSS services the onsite wraparound service coordinator will refer residents to other community resources based on their individual plan of care. Currently LSS is in the process of developing community partnerships with the following:

- State of Wisconsin Department of Workforce Development, in coordination with the Job Centers of Wisconsin, to provide subsidized part-time work experience to obtain the skills necessary for obtaining permanent employment.
- UW Extension Dane County will provide onsite trainings and educational events of no cost to families. Training topics could include:
 - Financial coaching and one to one consultations
 - Nutritional education programs on topics such as choosing healthy diets on a limited budget and shopping strategies for spending wisely at the grocery store
- Dane County Veteran Services who can assist veterans and their families with obtaining local, state and federal benefits. Veterans Services also could assist tenants with the application process.
- Wisconsin Women's Business Initiative Corporation (WWBIC) has partnered with LSS to provide group training and events that focus on assisting tenants with managing household finances and increasing financial capabilities.

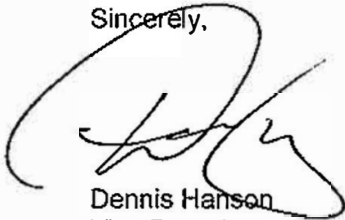

The goal of the Service Coordinator is to enhance the success of Veteran residents, and families experiencing homelessness, and to promote their independence and ability to remain in their unit. The services identified above will enhance independent living success and promote dignity of residents by addressing needs through a person specific approach.

LSS is a member and attends the Dane County Continuum of Care meetings, and currently operates several Rapid Rehousing programs in Dane County. In addition, LSS currently operates three Veterans Housing and Recovery Programs within the state of Wisconsin, for homeless veterans to receive the job training, education, counseling and rehabilitative services they need to obtain steady employment, affordable housing and the skills to sustain a productive lifestyle. LSS provides wrap around Service Coordination at other sites in the Madison area, and are familiar with the supports in the community to serve Veterans and individuals and families experiencing homelessness.

In addition to services outlined above LSS will assist property management in outreach efforts with community partners to raise awareness of this unique opportunity for Veterans and families at risk or experiencing homelessness. LSS will work with the management company to market the low-income units to families in need.

We strongly believe that through provision of the wrap around service model, families at Prairie Creek Apartments will have the tools necessary to strengthen family relations, identify necessary and beneficial resources, and positively impact their length of tenancy in this community. We look forward to partnering with Northpointe Development on this exciting development.
