When you complete your county supervisor maps, I am pleading with you to please not split the Town of Cottage Grove. We already have 6 school districts and 2 State Assembly districts (I am hoping and praying that will be back down to one with the 2021 redistricting), which leads to multiple ballots, up to 6 for spring elections. More than one county supervisor would lead to even more. If you must split us, it would be helpful if you could follow school district boundaries.

Thanks for your consideration.
