Hello Public Protection and Judiciary Committee of the Dane County Board,

I have some questions regarding 2022 FTR-017, Fund Transfer Request - Sheriff - Vehicle and Equipment Replacement.

- 1.) How old are the current fleet vehicles?
- 2.) What are the "safety hazards" of the current vehicles? It seems as if there were safety hazards, the vehicles wouldn't be used.
- 3.) What are the sustainability goals for the Sheriffs' vehicle fleet?
- 4.) Will the Dodge sedan vehicles accommodate holstered guns worn by the department staff easily?
- 5.) Will any of the Sheriffs' fleet vehicles be electric vehicles, or at least hybrids to save on gasoline costs?

Thanks!
