2021 RES-129

**AUTHORIZING AN AGREEMENT TO ACCEPT GRANT FUNDING FOR TACTICAL
MEDICAL TRAINING**

The Wisconsin Department of Military Affairs (DMA), Homeland Security (HS), Wisconsin Emergency Management (WEM) Grant Program is providing \$1,500 funding to the Sheriff's Office for tactical medical training; Grant Number 2019-HSW-02B-12471, funding is available July 19, 2021 through November 12, 2021.

Grant funding shall provide for training by the National Tactical Officers Association for a licensed paramedic, employed by the Sheriff's Office and a member of the Dane County Sheriff's Office Tactical Response Team (TRT), to become a tactical emergency medical professional and to evaluate the training course for agencies throughout Wisconsin. Tactical medical training enhances the Sheriff's Office TRT abilities to support the public and law enforcement officers during high threat tactical operations by providing life-saving medical interventions at critical incidents. Incorporation of tactical medicine enhances mission success for law enforcement special operation deployments. Tactical medicine is an integral component of public safety bridging the gap between emergency medical service and law enforcement. Pending successful evaluation of this tactical medical training, other agencies in Wisconsin may use the course for training purposes.

NOW, THEREFORE, BE IT RESOLVED that the Sheriff's Office is authorized to accept \$1,500 from HS WEM to attend tactical medical training, and on behalf of the County of Dane, the County Executive is authorized to execute the grant agreement embodying the above provisions; and

BE IT FURTHER RESOLVED that \$1,500 is appropriated as additional revenue in the Sheriff's Office, Field Services Division, TRT Grant Training Revenue (SHRFFLD 80209) budget account line and is credited to the General Fund; and

BE IT FINALLY RESOLVED \$1,500 is transferred from the General Fund to, Sheriff's Office, Field Services Division, TRT Grant Training Expenditure (SHRFFLD 20135).
