As a senior citizen residing in Dane County for the past fifty years, I want to express my support for the "increase funding for Nutrition Site Management \$ 24,811. Dane County is experiencing a spike in the COVID - 19 cases, and the elderly citizens are the most venerable segment of our society who are in need of assistance in receiving nutritional meals to sustain them during this dangerous time. I appreciate your support to keep the elderly citizens healthy and safe.

Faisal A. Kaud
