SUBJECT: Request for an Exception from Ch. 20.16 of the Dane County Code of Ordinances

The redevelopment of the Alliant Energy Center campus will likely require innovative funding streams. A key conference regarding public-private partnerships is called the Public-Private Partnership Conference and Expo 2020. It will take place March 2-4 in Dallas, Texas. Additional information regarding the conference can be found at this link: <https://thep3conference.com/wp-content/uploads/2019/10/P3C-2020-Attendee-Prospectus.pdf>.

I am requesting an exception from Chapter 20.16 Prohibited Travel to States That Discriminate so that Supervisor Miles is able to attend this conference. He is a member of the Alliant Energy Center Redevelopment Committee and will benefit from many of the educational sessions, such as:

- P3 Considerations in the Early Stages
- Creating a P3 Program
- Creating Successful Private-Public Partnerships
- P3s for Small and Mid-Sized Public Agencies: Is my Local-Serving, Mid-Size (\$3-300M) Project a viable P3?
