Subject: TSA pre-check

Hey Nani,
I wanted to check in with you about the TSA pre-check. What type did you apply for? Was it domestic only? Do you know if there was tax charged? Marykay wasn't sure what forms would be used to request and what the process is for this particular situation so I need a little more information and the itemized receipt if you have that handy. No rush, but wanted to be sure I remembered to follow up with you!

Hi Heidi,

I appreciate your follow up. I didn't know there are specific types that I could apply for and I simply followed the questionnaires on the website and scheduled for an app. The receipt I received does not explain if there were tax fees. I also have a hard copy of the payment I made. Thank you. -Nani
