2023 RES-253

**AUTHORIZING AN AGREEMENT TO ACCEPT GRANT FUNDING FOR THE PURCHASE
OF PROTECTIVE CLOTHING FOR THE SHERIFF'S OFFICE TACTICAL RESPONSE
TEAM**

The Homeland Security (HS) – Wisconsin Emergency Management (WEM), Wisconsin Department of Military Affairs Grant Program is providing \$1,500 funding to the Sheriff's Office to purchase protective clothing; Grant Number 2023-HSW-02A-13553, funding is available November 20, 2023 through August 30, 2024.

This grant funding supports the Aligned Law Enforcement Response Team initiative by providing funding to purchase protective clothing for winter deployments for the Sheriff's Office Tactical Response Team. Cold weather presents a formidable obstacle for law enforcement officers during operational deployments. Protective clothing such as proper head and neck protection, boot, overcoat considerations, and gear for operations over frozen water prevents injuries including hypothermia.

NOW, THEREFORE, BE IT RESOLVED that the Sheriff's Office is authorized to accept \$1,500 from HS WEM to purchase protective clothing, and on behalf of the County of Dane, the County Executive is authorized to execute an agreement embodying the above provisions; and

BE IT FURTHER RESOLVED that \$1,500 is appropriated as additional revenue in the Sheriff's Office, Field Services Division, TRT Grant Revenue (SHRFFLD 80728) and is credited to the General Fund; and

BE IT FURTHER RESOLVED that \$1,500 is transferred from the General Fund to Sheriff's Office, Field Services Division, TRT Equipment and Uniforms (SHRFFLD 48848).

BE IT FINALLY RESOLVED all unexpended funds and unrecognized revenues from this grant funding are carried forward until fully expended and realized.

Agreement Articles for Federal Fiscal Year 2023 Homeland Security Awards

Summary Description of Award

The purpose of the FY 2023 HSGP is to support state and local efforts to prevent terrorism and other catastrophic events and to prepare the Nation for the threats and hazards that pose the greatest risk to the security of the United States. The HSGP provides funding to implement investments that build, sustain, and deliver the 32 core capabilities essential to achieving the National Preparedness Goal of a secure and resilient Nation. Among the five basic homeland security missions noted in the DHS Quadrennial Homeland Security Review, HSGP supports the goal to Strengthen National Preparedness and Resilience. The building, sustainment, and delivery of these core capabilities are not exclusive to any single level of government, organization, or community, but rather, require the combined effort of the whole community. This HSGP award consists of State Homeland Security Program (SHSP) funding under the Authorized Listing Number (ALN) 97.067 in the amount of 4,847,500.00 awarded on 9/1/2023 under the federal award identification number EMW-2023-SS-00041-S01. This grant program funds a range of activities, including planning, organization, equipment purchase, training, exercises, across all core capabilities and mission areas.

Article I. Applicability of DHS Standard Terms and Conditions

Section 1.01 Recipients and Subrecipients

The Federal Fiscal Year (FFY) 2023 DHS Standard Terms and Conditions apply to all new federal financial assistance awards funded in FFY 2023. These terms and conditions flow down to subrecipients unless an award term or condition specifically indicates otherwise. The United States, Department of Military Affairs and Wisconsin Emergency Management have the right to seek judicial enforcement of these obligations.

Section 1.02 Tribes

The DHS Standard Terms and Conditions are a restatement of general requirements imposed upon recipients and flow down to subrecipients as a matter of law, regulation, or executive order. If the requirement does not apply to Indian tribes or there is a federal law or regulation exempting its application to Indian tribes, then the acceptance by Tribes of, or acquiescence to, DHS Standard Terms and Conditions does not change or alter its inapplicability to an Indian tribe. The execution of grant documents is not intended to change, alter, amend, or impose additional liability or responsibility upon the Tribe where it does not already exist.

Article II. Assurances, Administrative Requirements, Cost Principles, Representations and Certifications

- (a) DHS financial assistance recipients must complete either the Office of Management and Budget (OMB) Standard Form 424B Assurances - Non-Construction Programs, or OMB Standard Form 424D Assurances - Construction Programs, as applicable. Certain assurances in these documents may not be applicable to your program, and the DHS financial assistance office (DHS FAO) may require applicants to certify additional assurances. Applicants are required to fill out the assurances as instructed by the awarding agency.
- (b) DHS financial assistance recipients and subrecipients are required to follow the applicable provisions of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards located at Title 2, Code of Federal Regulations (C.F.R.) Part 200 and adopted by DHS at 2 C.F.R. Part 3002.
- (c) By accepting this agreement, recipients and their executives, as defined in 2 C.F.R. section 170.315, certify that their policies are in accordance with OMB's guidance located at 2 C.F.R. Part 200, all applicable federal laws, and relevant Executive guidance.

Article III. General Acknowledgements and Assurances

All recipients, subrecipients, successors, transferees, and assignees must acknowledge and agree to comply with applicable provisions governing DHS access to records, accounts, documents, information, facilities, and staff.

- (a) Recipients must cooperate with any DHS compliance reviews or compliance investigations conducted by DHS.
- (b) Recipients must give DHS access to examine and copy records, accounts, and other documents and sources of information related to the federal financial assistance award and permit access to facilities or personnel.
- (c) Recipients must submit timely, complete, and accurate reports to the appropriate DHS officials and maintain appropriate backup documentation to support the reports.
- (d) Recipients must comply with all other special reporting, data collection, and evaluation requirements, as prescribed by law, or detailed in program guidance.

Article IV. Acknowledgement of Federal Funding from DHS

Recipients must acknowledge their use of federal funding when issuing statements, press releases, requests for proposal, bid invitations, and other documents describing projects or programs funded in whole or in part with federal funds.

Article V. Activities Conducted Abroad

Recipients must ensure that project activities performed outside the United States are coordinated as necessary with appropriate government authorities and that appropriate licenses, permits, or approvals are obtained.

Article VI. Age Discrimination Act of 1975

Recipients must comply with the requirements of the Age Discrimination Act of 1975, Public Law 94-135 (1975) (codified as amended at Title 42, U.S. Code, section 6101 et seq.), which prohibits discrimination on the basis of age in any program or activity receiving federal financial assistance.

Article VII. Americans with Disabilities Act of 1990

Recipients must comply with the requirements of Titles I, II, and III of the Americans with Disabilities Act, Pub. L. 101-336 (1990) (codified as amended at 42 U.S.C. sections 12101 - 12213), which prohibits recipients from discriminating on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities.

Article VIII. Best Practices for Collection and Use of Personally Identifiable Information
