Casey Becker

2015 Res. 156

- Requires recipients of county-funded homeless/housing projects to submit annual eviction reports.
- Applies to agencies that serve as landlords and/or those who create tenancies that must be terminated through eviction.
- Does not apply to an agency if their only funding is a tenant-based rent subsidy paid directly to the landlord on the tenant's behalf.

Eviction Report

- Report must include:
 - The number of eviction actions filed.
 - The reason for eviction.
 - The number of eviction notices issued to the tenant in the 12 months preceding the eviction filing.
 - The number of eviction judgements granted, writs executed, and/or other case resolution (vacated prior to executive of writ).
 - Can include additional information presented by agency/organizations.
