STANDARDS FOR CONDITIONAL USE PERMITS

Applicants must provide adequate evidence demonstrating to the Town and Dane County Zoning & Land Regulation Committee that the proposed conditional use satisfies the following 8 standards for approval, along with any additional standards specific to the applicable zoning district or particular use found in sections 10.220(1) and 10.103 of the code.

| standards specific to the applicable zoning district of particular use round | |
|--|---|
| Please explain how the proposed land use will meet the following standard. The establishment maintenance or operation of the conditional use we public health, safety, comfort or general welfare. The conditional use will be used as a caretake to maintain the property. | vill not be detrimental to or endanger the |
| 2. The uses, values, and enjoyment of other property in the neighborhood no foreseeable manner substantially impaired or diminished by establish conditional use. I believe it will only increase the value building and site will be improved. | nment, maintenance or operation of the |
| 3. The establishment of the conditional use will not impede the normal at the surrounding property for uses permitted in the district. No additional traffic. I, Pean Tangeman, Ov the Lurc taker's quarters. | |
| 4. Adequate utilities, access roads, drainage and other necessary site im accommodate the conditional use. All roads, driveway and parking are already | |
| 5. Adequate measures have been or will be taken to provide ingress and congestion in the public streets. No additional traffic. | |
| 6. That the conditional use shall conform to all applicable regulations of | the district in which it is located. |
| 7. The conditional use is consistent with the adopted town and county of \\(\gamma \cents \) | omprehensive plans. |
| 8. If the conditional use is located in a Farmland Preservation (FP) Zoning following additional standards found in section 10.220(1). Attach additional Explain how the use and its location in the Farmland Preservation Zoning District are conditional to the section in the Farmland Preservation Zoning District are conditional to the section in the Farmland Preservation Zoning District are conditional to the section in the Farmland Preservation Zoning District are conditional to the section in the Farmland Preservation Zoning District are conditional to the section in the Farmland Preservation Zoning District are conditional to the section in the Farmland Preservation Zoning District are conditional to the section in the Farmland Preservation Zoning District are conditional to the section in the Farmland Preservation Zoning District are conditional to the section in the section in the Farmland Preservation Zoning District are conditional to the section in the section i | nal pages, if necessary. |
| Explain how the use and its location in the Farmland Preservation Zoning district are re- locations: | asonable and appropriate, considering alternative |
| Explain how the use is reasonably designed to minimize the conversion of land from an | gricultural use or open space use: |
| Explain how the use does not substantially impair or limit the current or future agricult | ural use of surrounding parcels zoned for agricultural use: |
| Explain how construction damage to land remaining in agricultural use is minimized ar | nd repaired, to the extent feasible: |

WRITTEN STATEMENT OF INTENT AND OPERATIONS PLAN

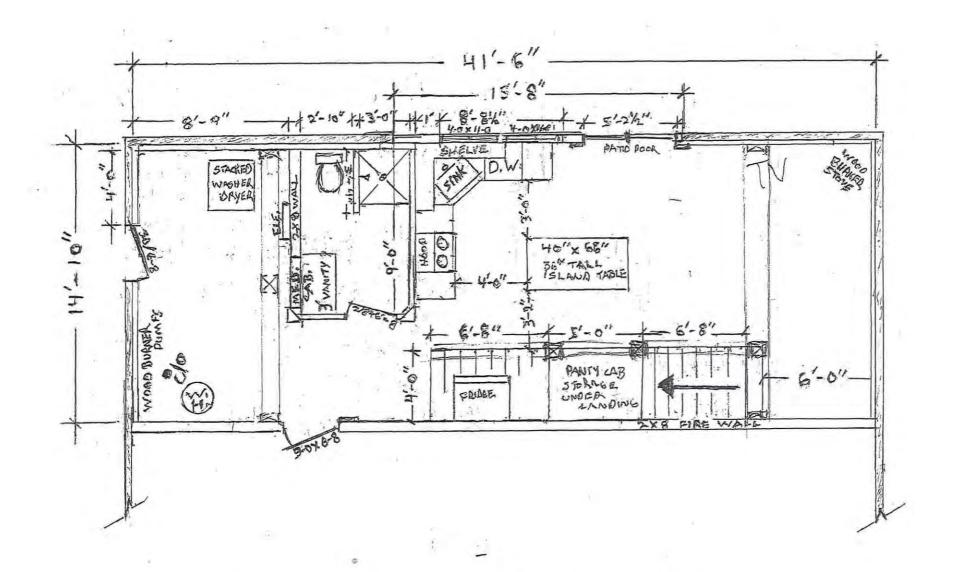

Applicants must provide a detailed written statement of intent describing the proposed conditional use along with an operational plan that explains how the conditional use will be operated. Please use the form below and provide responses, as applicable, to your proposed conditional use. Attach additional pages, if necessary.

| Describe in detail the proposed conditional use. Provide the specific location of the use(s), type of equipment used, planned property improvements, including description / size of existing or proposed new buildings to be used, and any other relevant information. For existing or proposed commercial operations, provide the name of the business and describe the nature and type of business activity. |
|---|
| Care taker's quarters located on the West end of the building toust and the width of the existing building. 15' from the West end of the building toust and the width of the existing building. existing building. |
| 15 from the West end of the building Forast and the width of the |
| existing building. |
| List the proposed days and hours of operation. \mathcal{N}/\mathcal{A} |
| List the number of employees, including both full-time equivalents and maximum number of personnel to be on the premises at any time. I full time employees 7-4 Monday thru Friday Possibly weekends. |
| List any anticipated noise, odors, dust, soot, runoff or pollution associated with the conditional use, along with any proposed measures that will be taken to mitigate impacts to neighboring properties. |
| Describe any materials proposed to be stored outside and any activities, processing or other operations taking place outside an enclosed building. |
| For proposals involving construction of new facilities and/or infrastructure, describe, as applicable, any measures being taken to ensure compliance with county stormwater and erosion control standards under Chapter 11 of Chapter 14 , Dane County Code. |
| List and describe existing or proposed sanitary facilities, including adequate private onsite wastewater treatment systems, associated with the proposed conditional use. For uses involving domestic pets or livestock, list and describe measures taken to address manure storage or management. Septic system is in place for residence. Valor well is existing |
| List and describe any existing or proposed facilities for managing and removal of trash, solid waste and recyclable materials. None hadritional |
| Describe anticipated daily traffic, types and weights of vehicles, and any provisions, intersection or road improvements or other measures proposed to accommodate increased traffic. No additional traffic |
| Provide a listing of any hazardous, toxic or explosive materials to be stored on site, and any spill containment, safety or pollution prevention measures. |
| Describe any existing or proposed outdoor lighting along with any measures that will be taken to mitigate light-pollution impacts to neighboring properties. The Zoning Administrator may require submittal of a photometric plan for outdoor lighting if deemed necessary to determine potential impacts to neighbors. A porch light |
| Describe any existing or proposed signage, including size, location, and materials, consistent with the county's sign ordinance found in s. 10.800. |
| Briefly describe the current use(s) of the property on which the conditional use is proposed. Houses a free service |
| Briefly describe the current uses of surrounding properties in the neighborhood. |
| Flooring contractor next door, private residence, south neighbor farmette, |
| surrounded by ag |

APPLICATION CHECKLIST FOR A CONDITIONAL USE PERMIT

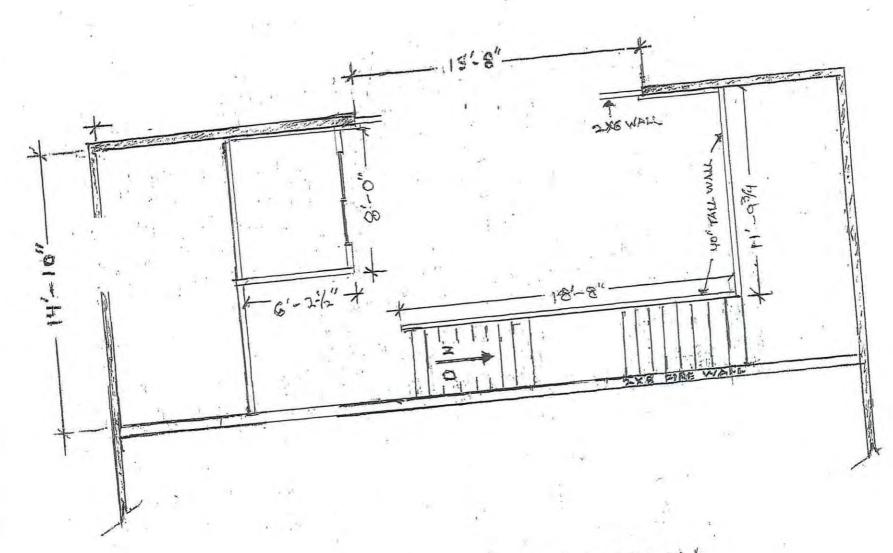

A scaled site plan and detailed operations plan must be submitted with your Conditional Use Permit application. Please use the checklist below to ensure you are submitting all required information applicable to your request. Please attach to your application form the required maps and plans listed below, along with any additional pages.

| ☐ SCALED SITE PLAN. Show sufficient detail on 11" x 17" paper. Include the following information, as applicable: |
|--|
| ☐ Scale and north arrow. |
| ☐ Date the site plan was created. |
| ☐ Existing subject property lot lines and dimensions. |
| ☐ Existing and proposed wastewater treatment systems and wells. |
| ☐ All buildings and all outdoor use and/or storage areas, existing and proposed, including provisions for water and sewer. |
| ☐ All dimension and required setbacks, side yards and rear yards. |
| ☐ Location and width of all existing and proposed driveway entrances onto public and private roadways, and of all interior roads or driveways. |
| ☐ Location and dimensions of any existing utilities, easements or rights-of-way. |
| ☐ Parking lot layout in compliance with s. <u>10.102(8)</u> . |
| □ Proposed loading/unloading areas. |
| ☐ Zoning district boundaries in the immediate area. All districts on the property and on all neighboring properties must be clearly labeled. |
| ☐ All relevant natural features, including navigable and non-navigable waters, floodplain boundaries, delineated wetland areas, natural drainage patterns, archeological features, and slopes over 12% grade. |
| ☐ Location and type of proposed screening, landscaping, berms or buffer areas if adjacent to a residential area. |
| ☐ Any lighting, signs, refuse dumpsters, and possible future expansion areas. |
| □ NEIGHBORHOOD CHARACTERISTICS. Describe existing land uses on the subject and surrounding properties: |
| |
| Provide a brief written statement describing the current use(s) of the property on which the conditional use isproposed. |
| ☐ Provide a brief written statement documenting the current uses of surrounding properties in the neighborhood. |
| |
| |
| □ OPERATIONS PLAN AND NARRATIVE. Describe in detail the following characteristics of the operation, as applicable: |
| □ OPERATIONS PLAN AND NARRATIVE. Describe in detail the following characteristics of the operation, as applicable: □ Hours of operation. |
