Good morning,

I am strongly opposed to several of the maps that split wards in the City of Monona. We are a small community, and having these splits would be a huge burden on us in terms of having separate ballots and possible special elections.

These are the 8 maps that are extremely problematic, most of which split our voting Ward 8 off from the rest of the City:

- Brian Standing Map 2
- Jo's May 2, which also might cut off Ward 1 – the color was different
- Ken's Map 2, which splits Ward 8 into four sections
- Supervisory District Wards by Dan
- Supervisory District Wards by Andrea Kaminski, which cuts off Wards 9, 6, and 8
- Supervisory District Wards by Thomas Wilson
- Supervisory District Wards by Kenneth Leonard, which cuts off Ward 1
- Wards 2 Andrea Kaminski, which cuts off Wards 1 and 8

These 9 maps are not problematic; they are the ones that leave our City intact:

- Alex W Map 2
- Alex W Map 4
- Brian Standing Map 3
- Burden 2
- Supervisory Districts by Sam Fischer
- Supervisory Districts by Sam Kaufman
- Supervisory Districts by Sam Kaufman (not sure if both are the same)
- Supervisory Districts Wards by AJ
- Supervisory Districts Wards Map 2 by Dan

Attached is our current Voting Ward map, created in 2010, for your reference. Please do not consider splitting our City!

Thank you,
