Dane County Extension Equity and Inclusion Plan February 2020

The Division of Extension is a unique partnership of counties, the U.S. Department of Agriculture and the University of Wisconsin-Madison working together to help people put knowledge to work. It reflects the vision that has become known as The Wisconsin Idea.

This partnership brings education to people where they live, through Extension offices, in each of Wisconsin's counties. It supports educational programs for farmers, businesses, communities, families and young people.

Dane County Extension provides education and resources to help people understand and solve problems. Educational programs developed and conducted by Dane County educators reflect local concerns. Through this unique partnership, educators work with the Dane County Extension Committee and other local groups to identify needs for education and design programs to meet those needs.

Extension's purpose to which we commit...

We teach, learn, lead and serve, connecting people with the University of Wisconsin, and engaging with them in transforming lives and communities.

Extension's values we strive to live by...

Community - We empower others and ourselves by listening to, learning from, and respecting local knowledge. We value our partnerships and believe community voices are critical to success. We work in community with one another to build a culture of collegiality.

Discovery - We promote lifelong learning, unbiased transformational education and excellence through our scholarly work. We integrate University research with community-based knowledge to explore new solutions and their practical applications. We encourage innovation in teaching, research and outreach to serve the public good.

Respect - We appreciate and serve as stewards of our state's resources. We honor and value each other's time and talents. We seek to maintain a balance between life and work priorities.

Relationships - We foster positive relationships through honesty, open communication and accountability. We meet educational needs by creating linkages among cultural, economic and environmental contexts. We recognize and trust the essential and interconnected nature of all roles within Cooperative Extension.

Inclusiveness - We recognize, appreciate and honor the differences, similarities and contributions of all people and communities. We are intentional in our efforts to ensure equity, justice and fairness. We embrace new ideas and approaches in our work.

Dane County Extension's Commitment to equity and inclusion ...

Dane County Extension commits to continually work toward a more inclusive and equitable approach to providing educational programming and access to services that ensure everyone can grow and thrive in Dane County.

University of Wisconsin, USDA and Wisconsin counties cooperating.

The University of Wisconsin-Madison Division of Extension provides affirmative action and equal opportunity in education, programming and employment for all qualified persons regardless of race, color, gender, creed, disability, religion, national origin, ancestry, age, sexual orientation, pregnancy, marital or parental, arrest or conviction record or veteran status.

Equity and Inclusion Work Plan Framework
