4 AWARD OF CONTRACT TO CONSTELLATION ENERGY GENERATION, LLC (CEG), FOR
5 SALE AND DELIVERY OF DANE COUNTY RNG

6 Dane County owns and operates a Renewable Natural Gas (RNG) Facility with an
7 interconnection to an interstate pipeline (ANR Pipeline near Madison, Wisconsin). As part of the
8 RNG Facility, Dane County owns and operates an off-load station that provides area manure
9 digesters with an economical solution to off-load RNG into the interstate pipeline.

10
11 The Department of Waste and Renewables desires to enter into an exclusive and transparent
12 five (5) year relationship in which CEG agrees to manage interstate pipeline scheduling and
13 nomination services associated with the RNG Facility. This Agreement will replace CEG's
14 current contract with Blue Source/ANEW in which CEG provides the same services to Dane
15 County.

16
17 Dane County agrees to sell and deliver to CEG the physical gas in accordance with the terms
18 the Agreement. Dane County reserves rights to Dane County's RNG Environmental Attributes,
19 as they are subject to a separate third-party contract.
