

AUTHORIZING PURCHASE OF INSURANCE

The adopted 2016 budget provides the authority to purchase insurance to protect Dane County.

Dane County purchases insurance coverage through Wisconsin Municipal Mutual Insurance Company (WMMIC) for automobile liability, general liability, miscellaneous liability, and errors and omissions in amounts up to \$10 million in excess coverage to protect the County from catastrophic losses.

In addition, insurance coverage is purchased from commercial insurance carriers for the following coverage: Airport Liability Insurance; Professional Health Professional Liability insurance for Badger Prairie Health Care Center and the Medical Examiner's Office; Boiler insurance for existing boilers/compressors; Employee Crime/Theft insurance; Property, Equipment, and Builders Risk insurance; and Workers Compensation Insurance for volunteer EMS. The specific amounts for these policies are provided in the adopted 2016 budget.

NOW, THEREFORE, BE IT RESOLVED that the County Controller be authorized to pay the premiums and deductibles associated with these lines of coverage.
